Yankees Win Again Bombarding Loes In 4th Inning, 4-2

Steady Pitching of Tommy Byrne Holds Down Brooklyn's Attempts To Regain Its Short-Lived Lead

NEW YORK (AP)—The New York Yankees shelled Billy Loes for four hits and four runs after two were out in the fourth inning today and beat the Brooklyn Dodgers 4-2 behind the steady pitching of Tommy Byrne for their second straight World Series victory.

With the Yanks two up, the series moved to Brooklyn's Ebbets Field tomorrow where righthander Bob Turley of the Yanks is slated to face Johnny Podres in the third game.

The Yankee scoring was limited to the one big inning as Karl

New Highway System Will Include State

St. Louis, Kansas City, St. Joseph Are Included On Route

WASHINGTON (AP)—General locations of routes of the national system of interstate highways into, through and around 102 cities or urban areas in the country, including Kansas and Missouri, were announced yesterday by the Bureau of Public Roads.

The new routes will be built with federal aid to states and will supplement the original 37,700-mile interstate network designated in 1947 to connect the nation's principal cities and industrial areas. The bureau said the new general locations, approved by both the Defense Department and Civil Defense Administration, completes designation of the 40,000 mile national system authorized by Congress in the Federal Aid Highway Act of 1944.

Detailed final locations will be made later as the states advance their projects, it added.

The bureau said additional routes designated in yesterday's announcement will run into, through and around areas which include the following:

Kansas — Kansas City, Topeka and Wichita. Missouri — Kansas City, St. Joseph, St. Louis and environs.

At Kansas City, W. V. Buck, divisional engineer for the Bureau of Public Roads, said the plans call for a new distribution highway east and south of Kansas City, Kas. In St. Joseph, the plans call for a new leg of U.S. 71 running through the city and close to the Missouri River.

A new highway is planned, Buck said, to go around Topeka, while at Wichita one will run through the city and another will run along the west side of the city.

All of the highways are in the planning stage, Buck said.

Federal aid for improvement of the national interstate highway system will amount to 175 million dollars in the current fiscal year and 175 million in the fiscal year beginning next July 1. In addition, another 175 million in federal funds are available in each of these fiscal years for the urban parts of the primary federal aid system and 315 millions in each year for the entire primary federal aid system. The interstate is part of the primary system.

Killed As Car Fails To Make a Curve

BOULDER, Colo. (AP)—Lavanne William McQuiston 38 of St. Joseph, Mo., was killed yesterday when the car in which he was riding missed a curve and dropped down a 132-foot embankment near here. Rex C. Eby, 23, Denver, driver of the vehicle, suffered chest injuries and a fractured collar bone.

Right for the Series

It's still plenty warm, but there is a breeze to lessen the closeness. And up in New York the weather's just right for the world series.

Partly cloudy and cooler tonight, low near 55. Friday cool, high near 70.

The temperature at 7 a.m. was 67, 83 at 1 p.m. and 84 at 2 p.m.

The temperature one year ago today high 83, low 62, with 1.90 inches of rain; two years ago, high 100, low 76; and three years ago, high 92, low 60.

President Has Another Good Night of Rest Beneath Oxygen Tent

DENVER (AP)—A bedside bulletin reported today that President Eisenhower had "a very good night" last night.

A 7 a.m. Denver time report from two of the chief executive's physicians said:

"The President had a very good night. He slept almost continuously under the oxygen tent from 9 p.m. to 6:15 a.m."

This was from Maj. Gen. Howard M. Snyder, the President's personal doctor, and Col. Byron E. Pollock, chief heart specialist at Fitzsimons Army Hospital, where Eisenhower has been confined since his heart attack last Saturday.

'Janet' Hits Mexican Area With Winds

Death Toll Reaches 350 As Big Rains Accompany Storm

MEXICO CITY (AP)—The Weather Bureau announced that hurricane Janet, with an estimated death toll of 350 to 400 already, lashed at the Mexican coast today, a little north of Veracruz.

It said winds of 119 miles per hour blew along the coast at daybreak, with the eye of the storm not due for several more hours.

The bureau said 16 inches of rain had fallen in 12 hours but that the apparent course of the year's 10th hurricane will carry the center past major populated areas. The region north of Veracruz is sparsely populated.

The U. S. Weather Bureau at Miami reported Janet nearly at a standstill at midmorning, suggesting a possible change in direction.

The U. S. Navy dropped a battery operated radio on Swan Islands, off the Honduran coast, and received reports that the islands suffered no deaths or serious injuries but that almost all buildings had been destroyed. The U. S. Weather Bureau and Civil Aeronautics Authority maintain stations on the islands, which asked for food for 82 persons.

Reports from Belize said British Honduras had come through the storm in good shape but that some fears were felt for northern portions of the country.

Brooklyn had scored a run in the first half of the fourth on Pee-wee Reese's double and Duke Snider's single to go into the lead. The Dodgers got another in the fifth when Robinson drew a walk, took second on Don Zimmer's single and reached third while pinch-hitter Frank Keller was grounded into a double play. Gilliam brought him home with a single.

That ended the scoring as Spooner took over for Brooklyn at the start of the fifth and checked the Yankee batters as effectively as Loes had done in the first three innings. He yielded only one hit and fanned five in his three-inning stint. Clem Labine finished.

Each team made three double plays and the total of six established a new World Series record for two teams in a single game.

FIRST INNING

DODGERS—Gilliam went down swinging.

Reese swung at the first pitch and raised a soft fly to Bauer.

Bauer came in fast for Snider's fly to right which was held back by the wind.

No runs, no hits, no errors, none left.

YANKEES — Bauer smashed a hard grounder past Robinson for a single.

McDougald struck out and Bauer was doubled up trying to steal second on Campanella's perfect peg to Zimmer.

Noren flied to Snider.

No runs, one hit, no errors, none left.

SECOND INNING

DODGERS — Campanella fouled to McDougald in front of the Dodger dugout.

Furillo walked.

Hodges flied to Bauer in short right.

Rizzuto scampared out to short left and made a back-to-the-plate catch of Robinson's high pop.

No runs, no hits, no errors, one left.

YANKEES — Berra was hit on the right arm by a pitched ball. Collins struck out.

Howard struck out on a full count. Berra going on a hit and run, appeared caught at second on Campanella's perfect throw but (Please turn to page 6, Column 6)

Killed By Train

NEOSHO, Mo. — At trailer-truck was struck by a switch engine near here last night killing the driver, Homer Lancaster of St. Louis.

NIXON UNDER HEAVY GUARD—Vice President Richard Nixon emerges from the Senate office building in Washington under guard of a detail of Secret Service men who now watch him around the clock. Prior to President Eisenhower's illness, a single agent was assigned to Nixon and he usually took up his guard duties after the Vice President arrived at his office (NEA Telephoto)

Family Sees Little of Him—

It's All Work and No Play These Days for Vice-President Nixon

WASHINGTON (AP)—It is all work and no play these days for Vice President Nixon.

The sudden illness of President Eisenhower thrust the vice president into a new prominence in the public mind. More and more people want to see him.

He has assumed additional official chores although there has been no formal delegation of new authority.

Nixon is working a tough schedule. For instance, yesterday he left home shortly after 8 a.m. and did not get back until after 10 p.m. He went straight to bed.

His two daughters and wife have seen him only briefly since the President was hit by a heart attack Saturday.

Short days ago, reporters sought only occasional contacts with the vice president. Now, they trail him everywhere and record his every word.

Nixon is polite to them, and usually stops to answer their questions but at times he shies away.

Last night he attended an informal dinner with Secretary of State Dulles and Presidential Assistant Sherman Adams at Dulles' home. He hurried to his waiting automobile after it was over and once at home swept into the house. Reporters didn't get a chance to ask him what had gone on.

Once in the house, the lights went on in an upstairs bedroom for only a few minutes and then everything was dark.

As vice president, Nixon has had a secret service man either in his Capitol Hill office or with him at times. Now during the day, four are assigned to him. One rides in the front seat of his chauffeur-driven limousine and the other three travel in a car directly behind him.

At night, two secret service men take up duty in a car parked directly across the street from the Nixon home. On the rear seat, beside an agent, is a tommy gun. The agents make frequent checks of the grounds surrounding the home.

Reporters take up an all-night

Local Methodist Pastors Renamed At Conference

But few changes were made in assignment of Methodist ministers in the Sedalia area at the close of the Southwest Missouri Methodist Conference at Springfield the past five days. The Rev. E. L. Hobbs was returned to the First Methodist; the Rev. Ralph Emerson Hurd to the Epworth Methodist and the Rev. Lee F. Soxman to the Fifth Street Methodist.

The Rev. Robert M. Lehe, one of six district superintendents re-appointed, is again assigned the Sedalia district. He was also designated delegate to the jurisdictional conference to be held next spring in New Orleans, La.

Ivan Lee Holt, bishop at St. Louis, approved other assignments in churches in Pettis and adjacent counties including: Dr. John M. Ward, Good Will Chapel, area director; E. W. Bartley, Pleasant Hill, Hughesville, Bethel, New Bethel and Georgetown; W. H. Ezell, Dresden; P. M. Allwell, LaMonte; William E. Butts Jr., Smithton; Russell Estes Sr., student, Central College, Fayette, Lake Creek; N. Clark Holt Sr., student, Central College, Tipton; Fortuna; H. E. Marshall, Cole Camp; Joseph DeVries, Stover; Florence; T. W. Hinchey, Warsaw; E. D. Watkins, Versailles-Glensted; H. A. Wood, Clifton City-Walnut Grove; L. D. Wasson, Lincoln-Ionia; E. F. Dillon, Windsor; Sylvan Woolery, supply to Eldorado; William E. Eckerle, Sunny-side-Hickory Chapel; E. L. Rathert, Pleasant Green.

Red China to Pull Six Divisions From Korea

TOKYO (AP)—Communist China said today it will pull six Red army divisions out of North Korea next month.

The Chinese divisions usually have about 10,000 men each.

The announcement came in a broadcast over Peiping radio.

Peiping did not say how many troops would remain in North Korea.

Begins Once-a-Week Garbage Pickup Oct. 4

Charles Simon, city sanitary officer, said today that once-a-week garbage pickup will begin Oct. 4, instead of the twice-a-week summer pickup.

Spanish Embassy Has No Knowledge Of Flight by Peron

Rumors Spread in Buenos Aires That Deposed President Has Left to Seek Asylum in Spain

BUENOS AIRES (AP)—Reports spread in Buenos Aires today that Juan D. Peron had left for Spain, but the Spanish Embassy said the Franco government had not granted him asylum.

The embassy said it knew nothing of the reported departure of the deposed president. The Paraguayan ambassador, Juan R. Chaves, insisted Peron still was aboard a Paraguayan gunboat in Buenos Aires harbor.

Chaves said negotiations were proceeding for Peron's departure. The gunboat Paraguay, and its sister ship, the Humaita, remained anchored in the harbor with two Argentine gunboats standing by.

Peron has been aboard a Paraguayan gunboat for more than a week, and the supposition had been that he was going into exile in Paraguay. But the new government of provisional President Eduardo Lonardi had been described as opposed to letting Peron stay in that neighboring country too long.

As the report that Peron had gone to Spain circulated, the government took steps to broaden its support and give a shot in the arm to the nation's slowly reviving democratic political life.

Interior and Justice Minister Eduardo Basso announced a four-party "consultative junta" would be formed to advise Provisional President Eduardo Lonardi and his Cabinet until a new Congress is elected.

Basso said four parties—the radical, Democratic, Socialist and Progressive Democratic—had agreed to serve on the junta. Each was expected to contribute four representatives.

The minister made no mention of ousted dictator Juan Peron's Peronista party or of the Communists. But he added that representatives of labor, business and industry probably would be included on the junta.

In the 10 years after Peron seized power, the dictator's steady war on his opponents all but killed off the opposition parties. In the last 199-member Congress, 12 Radical deputies were the only non-Peronists.

It appeared that the junta would serve for some months. Lonardi has promised to hold elections as soon as the electoral process can be arranged, but this is expected to take considerable time. The more delayed the election, the more chance the anti-Peron parties will have to reorganize against any Peronista attempt to get back in.

The government's roundup of potential troublemakers continued. Federal police last night arrested Alejandro Leloir, wealthy, 49-year-old president of the Peronista party's Supreme Council. Reliable sources said several other Peron-

ista party leaders would be picked up soon.

Peron himself still was a virtual prisoner on a Paraguayan gunboat anchored three miles off Buenos Aires. As yet there was no explanation of the delay in his departure for Asuncion and exile, promised him earlier by Lonardi.

Lonardi issued a promised decree of complete amnesty for all civilians and military men sentenced for political crimes and uprisings against the Peron regime.

Murder Trial Of Sedalia Woman Starts

Leola Brown Is Charged With First Degree Slaying

The trial of Mrs. Leola Betty Brown, 34, Negro, charged with the murder of her husband, S-Sgt. Peter M. Brown, at their home about midnight July 16, began in the Pettis County Circuit Court today. The trial is being held before Judge Walter A. Higbee, Lancaster, Mo., sitting in place of Judge Dimmitt Hoffman.

The alleged attack took place in the Brown home, 211 East Morgan, shortly before midnight July 16 and Brown died about 12:43 a.m. the following morning. S-Sgt. Brown had been stabbed in the heart with a knife.

Jurors selected were: Harry Nagel, R. E. Mullen, O. W. Wiley, Russell King, Clay Houchen, William H. Shernaman, Raymond Kahrs, John E. Hampton, Glenn Karkick, A. P. Stanfield, E. R. Trueblood and S. J. Timbrious.

Introduced as state's exhibits by Prosecutor Harold Barrick were a knife, a hammer, photographs of the Brown house and a floor plan of the house, drawn by Jere Williams of Arthur J. P. Schwartz and Associate, Sedalia architects.

Sitting across from the counsel table from Prosecutor Barrick were Mrs. Brown and her defense attorney, William F. Brown. Mrs. Brown was placed under arrest when police were called by neighbors to the Brown home. Brown was found fatally wounded, lying on the dining room floor of the residence, with a knife wound in his chest.

Dr. A. R. Maddox, who had been summoned to the home the night of the incident, testified about finding Brown on the floor, of how he had trouble getting into the home at first, and later of treating the man. He told of investigating the wound and what had killed the man.

American Ambassador Leaves for Prague

GENEVA (AP)—U. Alexis Johnson, American ambassador to Czechoslovakia who has been negotiating here for the past two months with a Communist Chinese envoy, left with his wife by automobile for Prague today.

An American spokesman briefly told Johnson was returning briefly to Prague to deal with "routine embassy business." He is expected back in Geneva for his next meeting with Red Chinese Ambassador Wang Ping-nan, scheduled Oct. 5.

One astute political observer said he had heard nothing at all about the election in his travels around the state and he thought many voters weren't even aware that an election was in the offing.

France Opposes Dissolving NATO, Pinay States

UNITED NATIONS, N.Y. (AP)—France declared today that it would firmly oppose any European security system which would mean the dissolution of the North Atlantic Treaty Organization and the withdrawal of United States forces from Europe.

In a major policy speech, French Foreign Minister Antoine Pinay also told the U.N. Assembly his government considers the re-establishment of German unity is "the essential condition for a return to a normal situation in Europe."

"The division of Germany," he said, "constitutes, in the very heart of Europe, a permanent factor of insecurity."

He also declared once more that France recognizes only one legitimate German government—the West German government at Bonn.

Donald Lamm Is Speaker—

Osage Chapter, DAR, Hears Talk on the US Constitution

Osage Chapter, Daughters of the American Revolution, met Saturday afternoon, Sept. 24, at the Little Theatre of Smith-Cotton High School, at which time Donald S. Lamm was the speaker. Taking for his subject, "What The Constitution Means To Me."

Lamm quoted Miss Gertrude Carraway, president general of the National Society, D. A. R. as follows: "Our founders build wisely for the future and these objects still serve us word for word as originally adopted. The aim for what we believe to be the best interests of our constitution republic and the American way of life is still the measuring rod for our undertakings."

The articles and the amendments of the constitution, said Mr. Lamm, were short but the courts interpreting laws cover many volumes. The Bill of Rights is the blood stream giving life to Democracy. He pointed out that the constitution makes reservations on the federal government rather than on the states and discussed freedom of religion, the first amendment, freedom of speech, of press, right to petition and each amendment in detail. Every citizen should appreciate their freedom, the speaker said, enough that they willingly report everything against their government.

Mrs. Thomas W. Croxton, regent, presided over the meeting which opened with the pledge of allegiance and the American creed led by Miss Nina Harris, followed by

Mrs. Leonard Koenke New PTA President

The first meeting of the Syracuse PTA was held Sept. 21 in the school auditorium.

The following officers will serve the coming year: Mrs. Leonard Koenke, Jr., president; Herbert Brauer, vice-president; Mrs. Bob Potter, secretary; Mrs. Tom Lackner, treasurer.

Those on standing committees are: membership, Mrs. Ernest Hoffman, Mrs. Eugene Aldrich, Mrs. Elmer Oswald; hospitality, Mrs. M. T. Keevil, Mrs. Herbert Brauer, Mrs. Raymond Nichols; program, Mrs. Harry Monks, Miss Beulah Peoples, and Mrs. David Wittman.

The first Thursday of the month is the regular meeting nights.

Room prizes will be awarded to the room having the largest percentage of parents present at the meetings.

Roger Kirchner and Mr. Thomas explained the referendums and the group went on record favoring the propositions.

Mrs. Mildred Brauer was appointed chairman of a drive to get parents out to vote.

The faculty was honored and refreshments were served.

Initiation Party Was Given By Seniors

The Senior Class of the Knob Noster High School sponsored an initiation party for the freshman class in the school gym Friday evening.

Also attending were members of the high school faculty and some of the parents.

Freshmen class members wore costumes and did stunts requested by the seniors.

Melba Higgins was crowned "Miss Freshman" and David Forbush was crowned "Mr. Freshman" by the seniors.

The seniors served refreshments.

Wanda Gerhardt Has Birthday Party

Mr. and Mrs. Walter Gerhardt entertained at their home Saturday afternoon with a party in honor of their daughter, Wanda, on her eighth birthday.

Guests were Lois and Linda Moore, Judy Kay Nelson, Judith Rand, Branda Frieling, Marian Ann Foster, Parry Vieth, Sharon and Billy Monsees, Linda Stayton, Janet and Stephen Gerhardt, Jimmy Case, Tommy Layne, Bobby Taylor, Monte Salzman and Wayne Gerhardt. Others present were Mrs. Herman Salzman, Mrs. Leonard Gerhardt, Mrs. Bill Monsees and Mrs. Harry Hagemeier.

Games were played and refreshments were served by Mrs. Gerhardt.

Boots and Saddle Club Honors Newlyweds

Fifty persons attended the party honoring Mr. and Mrs. Ronnie Eicholz at the Otterville Boots and Saddle club rooms recently.

A pink and white color scheme was carried out in table decorations. The club presented a gift to the newlyweds.

Awards in games went to Mrs. George Cook and Mrs. Mary E. Thomas.

Mrs. Bea Smith assisted by Miss Nell Burford were hostesses.

Sixteen Members At Homemakers Meeting

The Black Jack Homemakers Club met Sept. 21 at the home of Mrs. Lloyd Monsees with Mrs. Wes Rages and Mrs. Ida Page as assistant hostesses.

Sixteen members and two visitors, Mrs. Fred Hoelins and Mrs. Nolen Gieschen, were present.

The meeting was called to order by the president, Mrs. Elmer Vass. Mrs. Charlie Schroeder led the devotionals. Roll call was answered with "What Makes a Woman Charming."

It was decided to give ten dollars to Mercy Hospital and to get

a coffee urn for the community center. Members are to collect Folger's coffee strips and bring them to the next meeting. The outdoor oven for the community center was discussed.

Mrs. Charles Yost, Mrs. Edwin Bultemuir and Mrs. Arnie Siegel

were appointed to fix the achievement day display.

The club decided to give the community center a house cleaning Tuesday afternoon.

A motion to change election date of officers from July to a latter month was introduced. After a dis-

cussion it was tabled until the next meeting which will be Oct. 19 at the home of Mrs. Carl Bremer.

Alben Barkleys Tell Betrothal Of Jane Hadley

Miss Jane Hadley, 20-year-old daughter of Mrs. Alben W. Barkley, formerly of St. Louis, is engaged to Pic. Thomas H. Truitt, the grandson of her stepfather, it was announced in Paducah, Ky., yesterday.

Miss Hadley and her mother lived at 5539 Pershing Ave., St. Louis, before the mother's marriage to Barkley in 1949, when he was Vice President of the United States. Jane attended high school in University City.

The engagement was announced by Barkley, now a United States Senator from Kentucky, and Mrs. Barkley. Truitt is the son of Mr. and Mrs. Max O'Rell Truitt of Washington, D.C. The date of the wedding was not announced.

The Barkleys were married in St. Louis Nov. 18, 1949, at St. John's Methodist Church. They had met four months earlier during Mrs. Barkley's vacation in Washington. At that time she was Mrs. Carleton S. Hadley, widow of Carleton S. Hadley, general counsel of the Wabash Railroad when he died in 1945.

Mrs. Barkley was formerly Jane Rucker, Sedalia, daughter of Mr. and Mrs. Ray M. Rucker. Her father was an attorney and at one time prosecuting attorney of Pettis County. Mrs. Barkley's mother was active in music circles when a resident here.

At the Barkley home in Paducah, Mrs. Barkley expressed great joy over the betrothal of her daughter to her husband's grandson.

"It really makes it a family affair, doesn't it?" she asked.

Mrs. Barkley said her daughter was in Washington yesterday. Pic. Truitt, also 20, is stationed with the United States Army in Germany.

Mrs. Freda Stoehlein was hostess to Pilot Grove WPFA members Friday afternoon for their regular meeting. Fourteen members and four guests, Mrs. Frank Reuter, Mrs. Walter Lang, Mrs. Frank Schlottzauer, and Mrs. A. G. Krumm were present.

Mrs. Herman Ries installed the new officers: Mrs. Raymond Reuter, president; Mrs. A. J. Hayes, secretary-treasurer; Mrs. Henry Mueller, assistant secretary.

During the business meeting Mrs. Henry Mueller and Mrs. Earl Hartman were elected delegates to the district WPFA convention to be held at the high school in California, Saturday, Oct. 1. Mrs. Ries and Mrs. Phillip Day were named alternates. Mrs. Ries was also appointed a board member.

Reports were given by Mrs. Arthur Schuster on plans for the coming year for the local club and Mrs. Day reported on the county WPFA board meeting and convention which was held recently at Booneville. A report from Mrs. Orville Gibbs, Cooper County health nurse, was read by Mrs. Hayes. The state WPFA newsletter was read by the hostess.

Mrs. Henry Mueller and Mrs. A. C. Mueller received birthday gifts. During the social hour prizes were won by Mrs. Krumm, Mrs. Hartman, Mrs. Day, Mrs. Frank Schlottzauer and Mrs. Henry Mueller.

Refreshments were served by the hostess assisted by Mrs. H. M. Brownfield and Mrs. Earl Lee Hayes.

Windsor Extension Club Met Recently

The Homebuilders Extension Club of Windsor met with Mrs. Otis Ellis for the September meeting. The president, Mrs. George Ray, called the meeting to order with the club prayer.

Officers elected to serve the following year were: Mrs. Bill Yount, president; Mrs. Chester Ellis, vice-president; Mrs. Otis Ellis, parliamentarian; Mrs. Charley Acker, secretary and treasurer; Mrs. George Ray, reporter; Mrs. Glenn Smith, game and song leader.

Mrs. Phillip Kirby gave a lesson on community improvement entitled "We Need Trees." The club voted to plant a Rose of Sharon tree at Farrington Park.

Miss Elizabeth Sues, the county home agent, gave a lesson and demonstration on "Milk for All Ages." She also talked about achievement day which will be held Oct. 12 at Clinton.

The hostess served refreshments to 11 members and one visitor, Miss Sues. The October meeting will be with Mrs. George Ray.

Promotion Day Sun.

Sunday was promotion day at the Syracuse Baptist Church. Each department from the nursery to the intermediates had separate promotion programs with Rev. Potter making a short talk in each department.

There were some changes made in the primary teaching staff. Mrs. Vincent Keovil is superintendent of the department, with Mrs. Marlin Schroeder, Mrs. Elmer Oswald and Mrs. Harold Stahl teaching. Mrs. Paul E. Stahl and Miss Dora Eichholz are teaching beginners, while Mrs. Warren Klein and Mrs. Harold Williams are teaching in the nursery.

The overwhelming popularity of Seagram's 7 Crown is more than a statement of fact. It is your assurance of a whiskey standard. For no other whiskey in history has satisfied so many...for so many years. In fact, it outsells any other brand by more than 2 to 1!

SEAGRAM-DISTILLERS COMPANY, NEW YORK CITY. BLENDED WHISKEY. 86.8 PROOF. 65% GRAIN NEUTRAL SPIRITS

An important point about stock car racing that may not have occurred to you:

**The safer car wins . . .
and Chevrolet is the big winner**

Auto races aren't won by brute horsepower. Roadability, acceleration, precision steering and stamina—the very qualities that make a car safer for you—are the keys to victory on the track! And that's why Chevrolet is top car, by far, on the rugged NASCAR (National Association for Stock Car Auto Racing) Short Track circuit.

**Faster acceleration
means safer passing**

Chevrolet's cannonball acceleration has punched past many a bigger car to victory. But the same blazing surge is a vital safety factor on the highway—one that can whisk you more safely around other cars and out of critical situations.

**Easier, super accurate
steering**

Nimble is the word for Chevrolet. But you don't have to see them in action on a tight quarter-mile track

to judge how they make other cars seem clumsy. You can feel that yourself in the press of traffic, and sense the feather-light precision of Ball-Race steering in every curve. There's extra safety, too, in Glide-Ride front suspension that sops up the harshest bumps—that lets your car "keep its feet under it" for maximum traction on the roughest roads.

More stability on curves

Chevrolet's famous stability means money in the bank to the race driver—it lets him broadside through turns faster and smoother. But it

means peace of mind to you on the road—more comfort in every curve and less body-roll with broad-based Outrigger rear springs, extra security if you have to swerve sharply to meet an emergency, a solid "one-piece" feel that is a delight to any driver.

**The ability to slow
down and stop
quickly and smoothly**

Those big 11-inch brakes have averted many a disaster in the close-packed battle of racing. But they weren't designed for that; they were made to give you "heads-up" stops and extra stopping power in traffic, on mountain grades, on high-speed expressways. Competition has merely proved their margin of superiority!

Come in and try out this new winner yourself . . . and see how easy we're making it to buy a Chevrolet right now!

**A growing list of Chevrolet
victories in stock car competition**

Parent-Teachers Council of Sedalia

Mrs. Vivian Warren Constantly Offers Her Services As Coordinator to Her Community

In the Chamber of Commerce office is Mrs. Vivian Warren, who is office manager and is also serving her fourth term as treasurer of the Chamber of Commerce. About the first thing people see when they enter the office is Vivian's smile, and when it comes to questions, either from people going into the office or by telephone, she knows the answers. She may be working in the background, but on every project going on in the Chamber of Commerce she has a hand in it.

Vivian, who is the wife of Ike L. Warren, grew up on a farm and attended Camp Branch School, then Sacred Heart and was graduated from Smith-Cotton. She was the first president of the Smith-Cotton Student Council and school body.

When she finished school she was associated with her brother, James T. Denny in the James T. Denny Melody Shop. After that she went to work as bookkeeper for the Walden Electric Co. and then to the Montgomery-Ward and Company where she was credit and office manager for 17 years. Leaving Montgomery Ward Co., she was a partner with the firm of McMullin & Whitaker Distributing Co., selling her interest to assume the office manager of the Chamber of Commerce.

Long before she went to work at the Chamber of Commerce office Vivian believed in and was working for that organization. She was the first woman director ever elected to the Chamber of Commerce board. That was in 1948, and prior to that she served as chairman of the convention and tourist committee.

Vivian can't belong to anything without working and serving. Ever since she became a member of the Business and Professional Women's Club she has had some big job and could always be depended on to do it well. She served as chairman of defense, as social chairman, as national security chairman, public affairs chairman, as program coordination chairman and in 1946-1948 was president of the local club. Now she is back as program coordination chairman again. That is a big job, helping each chairman plan her program for the year, and being there to do something about it in case things don't work out as planned.

Vivian's executive ability that began in high school carried thru in her later life. She served as president of the S. Club, president of the Missouri Pacific Women's Club, was secretary of the Civic Club Council for six years, chairman of the women's division of the Freedom Day Parade, was twice

Mrs. Vivian Warren

chairman of the women's division of the Community Chest and was chairman of the Pettis County Cancer Association.

Three different times she was asked to be the chaperone for Sedalia's candidate for the American Royal Queen, and took the girls to Kansas City for the round of entertainment. This is no small job by any means, but is one of great responsibility.

A Democrat, Vivian has worked quite a lot in politics, too. She served as treasurer of the Pettis County Democrat Club and in 1943 was a delegate to the National Democratic Convention in Philadelphia, from the Sixth Missouri District.

For her hobbies, Vivian has bowling and fishing. She belongs to a bowling team each year and finds it great fun. When it comes to fishing she and her husband like to go to Gravois Mills, where they have a nice cabin on the lake. Here they spend many weekends and she likes sitting there on the lake fishing and watching everybody else fish. She comes up with some good fish stories, too, mostly on herself.

Vivian loves dogs and anybody who knows her very well is certain to have heard her say something about a little dog she saw somewhere. Her favorite dog, however, is her own Timmie. Home to her means her husband, her dad and Timmie.

Somehow the job of program coordination seems to suit her, not only for the Business and Professional Women's Club but for everything. That seems to be the thing she is always doing. Coordinating programs, meetings, all sorts of things.

Will Prosecute For the Theft Of Baby Boy

SAN FRANCISCO (AP)—Vigorous prosecution was promised today for Barbara Jean Benedicto, blonde wife of a Filipino lodging house keeper, who snatched 2-day-old Robert Marcus from his crib at Mt. Zion Hospital here 10 days ago.

Robert was returned in good health to his deliciously happy parents, Dr. and Mrs. Sanford Marcus, in Stockton early yesterday. That was shortly after the 27-year-old Mrs. Benedicto had been spotted with the baby by a sharp-eyed deputy sheriff at the prize fights in Stockton Tuesday night.

While the deputy investigated her story that the infant was hers, Mrs. Benedicto telephoned Dr. Marcus in San Francisco that she would deliver Robert to him in Stockton.

Their heartaches past, Dr. and Mrs. Marcus, parents of two other children, planned to take their baby home today to suburban Daly City.

Mrs. Benedicto was held under guard in a psychiatric ward in San Francisco Hospital after collapsing.

Her story of motherly love and an irresistible maternal instinct was denounced yesterday by her own mother, who said Barbara Jean had abandoned her only natural child—a daughter—10 years ago.

Mrs. Benedicto said remorse and sympathy for Robert's mother, Mrs. Hanna Marcus, 29, who was desperately ill, prompted the return of the child.

Dist. Atty. Thomas C. Lynch and his chief deputy, Norman Elington, said they would seek an indictment for kidnapping when the county grand jury meets Monday night and would prosecute vigorously.

The only reason Mrs. Benedicto returned the child, they declared, was because she was convinced that her capture was imminent.

Methodist Reappoints New Superintendents

SPRINGFIELD, Mo., (AP)—The Southwest Missouri Methodist Conference reappointed its six district superintendents, yesterday, then made plans for a new seminary in Kansas City.

The 500 delegates passed a proposal to establish the seminary on the grounds of National College, a Methodist school for missionaries and deaconesses.

Reappointed superintendents were Dr. W. L. Perryman, Joplin; Dr. James Brett Kenna, Kansas City; the Rev. Linus Baker, Marshall; the Rev. Robert M. Leahy, Sedalia; and Dr. Ernie B. Frye, Springfield, and Dr. J. M. Shockley of Nevada.

ty coroner, testified that the knife wound was the cause of death and that there was no other wound on the body, although there were several scars from previous incisions of some sort. He said that a front window sill had lye splashed on it, and there was also lye splashed on the porch, as if it had been tossed through the window from the inside. He said, however, that death was in no way caused by the use of lye.

A-2c Walter Tucker, Jr., Sedalia Air Force Base, and his wife, friends of the Browns, testified Mrs. Brown went to their home and told them her husband had been stabbed, then went to another neighbor's home and called the doctor.

S-Sgt. Hydie M. Nickens, formerly of the SAFB, now stationed in California waiting to go overseas and who was brought back to Missouri to testify, told the court S-Sgt. Brown was at his home, 109 East Jefferson, before the incident. He also said that he and Brown had consumed about half of a half-pint of whiskey before Brown left to go to his home.

D. Kelly Scruton, newspaper reporter, who was at the scene shortly after a call had been received by the police, testified as to the location of Brown's body in the house, the location of a knife and hammer found on the floor, and the condition of the house when he arrived. He also mentioned a statement made by Mrs. Brown to Prosecuting Attorney Barrick and police officers in which she said she had stabbed her husband after they had had an argument.

Night Chief of Police Ted Gardner testified regarding the location of the body, house arrangement, lye being on the front window sill, and also of finding of the dead man's pants and shoes shoved back behind and old stove. Police officer Thomas Moffitt also told of going on the call and of finding the clothing pushed behind the stove.

Two members of the State Highway Patrol laboratory at Jefferson City, Sgt. James Rhoades and Trooper James G. Runkle, testified as to the blood and lye tests

Plumber Found Dead With \$7,800 in Pocket

ST. LOUIS (AP)—A 55-year-old plumber who reportedly didn't trust banks was found dead last night with \$7,800 in his pockets in the garage of a partially-completed home in suburban Grantwood.

The man, identified as Ernest Brechtel, apparently died of natural causes, St. Louis County police reported.

Brechtel was found by his employer, Milton Kopff, a plumbing contractor, who searched for him when he failed to check out at quitting time. Kopff told police Brechtel had worked for him 10 years and usually carried large sums of money because he didn't trust banks.

Nine Persons Injured As Truck Hits Bus

BOWLING GREEN, Mo. (AP)—A tractor-trailer truck ripped open the side of a Continental bus about eight miles south of here early today, injuring nine of the passengers.

State Patrol officers said the bus had pulled to the side of U. S. 61 apparently to await repairs when the oncoming truck swerved and the trailer smashed into the side of the parked bus.

Officers said the side of the bus was ripped open as the trailer smashed into the seats. There were 13 passengers on the bus, en route from Des Moines to St. Louis.

Demo Party Leaders Meet on Strategy

CHICAGO (AP)—Democratic party leaders will meet in Chicago Monday and Tuesday to discuss party organization and 1956 prospects as they might be affected by President Eisenhower's illness.

made on the clothing and of failure to obtain fingerprints from the knife and hammer.

In the afternoon Mary Jackson, a neighbor, testified she was at the Brown home prior to the incident. Lee Hammond, who resides across the street, testified he called Dr. Maddox and the police.

Chief of Police Edgar Neighbors testified about his investigation and the statement Mrs. Brown made in his office regarding the incidents leading up to the stabbing.

Several other witnesses are to be called by the state before the defense presents its case.

Accidents

A 1951 Oliver tractor driven by George Pearl, Jr., Route 1, who was going south on Highway 65 and a 1954 Ford pickup driven by Virgil Ash, Edwards, also going south on Highway 65, were involved in an accident about 6:52 p. m. Wednesday.

Damage was to the hay rack and rear end of the baler, and the entire front end of the Ford.

Police made an investigation.

Richard Aldridge, Warrensburg, reported to police that his car, a 1955 Chevrolet sedan that was parked on East Main, was involved in a hit and run accident about 12:25 a. m. Wednesday.

Damage was to the left back fender.

Police made an investigation.

Police Reports
Richard Aldridge, Warrensburg, reported to the police his car was struck by a hit and run driver while it was parked at Main and Ohio Wednesday. He said his car was hit by a green pickup truck.

Mrs. W. G. Spraggins, 1121 West 16th, reported the loss of her lady's gold wristwatch with a link band somewhere in the vicinity of Main and Ohio Wednesday.

Freddy Doty, 1413 West Broadway, reported the loss of his billfold containing his drivers license, and important papers, and no money.

Police were called to the 1600 block on South Barrett where a man was reported shooting a gun. The parties were gone when police arrived.

An English bicycle belonging to Donald Franke, 1817 South Stewart reported stolen from Sacred Heart School Wednesday night was found on the sidewalk at Third and Ohio. It was turned over to the owner Thursday morning.

A large tractor and trailer of the Mayflower Transfer Co., was stolen sometime about 3 a. m. Thursday morning, and the billfold of the driver, Ed Childers, Ardmore, Okla., taken from him while he was asleep at the Royal Hotel. The billfold contained \$300, identification papers, gasoline credit cards and other papers of value.

Childers reported to the police at 7:40 a. m. after he woke up at the hotel and found his helper missing, along with the billfold and the keys to the tractor.

Upon investigating it was learned the tractor and trailer which has been parked at the Leonards 66 service station was driven off sometime about 3 a. m. A check by police also revealed a man was driven to the service station about that time.

Childers reported to the police that he had hired the helper in Omaha, Neb., and from indications the man lived in Kansas City. The only name he remembered of the helper was "Bob" but other information regarding the man was on papers which were in the tractor.

He told officers that he had picked up a load of furniture at Omaha, Neb., and planned to fill out the load with a pickup at Warsaw. They had driven as far as Sedalia and decided to park the equipment and get a hotel room and rest until morning before going to Warsaw. They were then to drive with the load to Shreveport, La.

Childers reported the helper had been talking about wanting to go to Louisiana and hired him to make the trip with him.

The helper was described as being about six feet tall, dark complexion, slender build, dark grey trousers, dark blue suit, bareheaded and hair cut short, and was about 38 years old.

Fair Weather Ahead

By THE ASSOCIATED PRESS
Rain was in prospect for sections of the Midwest and South but pleasant autumn weather prevailed in most of the nation today.

Sunny and mild weather was forecast for the second game of the World Series in New York.

Warm, southerly winds from Texas northward to the Dakotas sent temperatures into the 60s this morning in the central and northern plains states and western part of the Midwest. The moisture laden southerly winds from the Gulf northward brought showers and thundershowers into the area. Rainfall, however, generally was light.

It was a little cooler in the Northwest, and in the Ohio Valley eastward to southern New England, where readings were in the 50s.

Warm weather continued over most of the southern parts of the country.

Mosby PTA Holds Referendum Discussion

The Mosby PTA held its regular meeting September ninth. The program was in charge of the program chairman Mrs. George Harrison. Mrs. Rex Paul reviewed the PTA article. There was a panel discussion on referendum number one and on number two. After the group singing was over, refreshments were served by Mrs. Robert Brown and Mrs. Dick Middleton.

trial was notified of the theft and requested to be on the lookout for trailer and driver. It was believed the unit driven by the thief was headed south on Highway 65 as it departed the service station in that direction.

Police Court

Raymond Lector Pemberton, Platte City, Mo., charged with driving a car while intoxicated, forfeited a \$75 cash bond when he failed to appear in police court Thursday morning.

Pemberton was arrested Sept. 20 at Broadway and Ohio after an accident.

Mrs. George Chandler, 810 East 14th, charged with not displaying a city license on the windshield, forfeited a \$2 cash bond.

Vernon Richey, 213 South Grand, charged with no city license sticker on his windshield, forfeited a \$5 cash bond.

A-1c Leopold Letourneau, 21, Sedalia Air Force Base, charged with speeding 45 miles per hour from Warren to Stewart on Broadway, forfeited a \$15 cash bond.

Nine overtime parkers who failed to appear in police court forfeited cash bonds of \$1 each and 38 others who reported to police headquarters paid the 25-cent fee.

In Other Courts

Windsor's city ordinance requiring those engaged in business there to buy a license appears to be headed for a court test.

John Bowman, agent in Windsor for the Dorn-Cloney Laundry Sedalia, was arrested Monday morning by City Marshal O. W. Lewis for not having a city license. When he refused to buy the license his case was set for Oscar Hughes next Monday morning.

Bowman is reported to have purchased the license last year although insisting he did not owe it. This year he is one of four business active in Windsor reported at the last meeting of the Board of Aldermen as not having business licenses. One of the four was said to have refused to take out a license until Dorn-Cloney had done so.

Former Mayor James B. Wilson will represent Windsor as city attorney. In event Bowman loses in police court he could appeal the decision to the circuit court.

Charlie W. Mansell, Oak Grove, and Bobby Chaney, Sedalia, were fined \$5 each in Magistrate Court of Warrensburg on the recommendation of Conservation Agent A. A. "Jack" Frost on charges of hunting without licenses, Mansell on Sept. 25 and Chaney on Sept. 18, both on written pleas of guilty.

A continuance on a hearing on charges of a traffic law violation was granted by the court to Betty Jean Brock of Shady Oak Trailer Court, Knob Noster, who is charged on a complaint signed by O. W. Maloney of passing on a hill on Highway 50 on Sept. 21.

(Continued from Page One)

Zimmer dropped the ball for an error as Berra slid in safely.

Martin became Loes' third straight strike out victim, missing a fast 3-2 pitch.

No runs, no hits, one error, one left.

THIRD INNING

DODGERS—Bob Cerv went into centerfield for the Yankees, Noren switched to left and Howard to right with Bauer leaving the game. Bauer had pulled a muscle in his right leg sliding into second in the first inning.

Zimmer was called out on strikes.

Loes bounced out, Rizzuto to Collins.

Gilliam flied deep to Noren in left center.

YANKEES—Rizzuto ripped a long single into the leftfield corner.

Byrne hit a hard grounder to Zimmer who turned it into a double play, Zimmer to Reese to Hodges.

Cerv looked at a third strike to become Loes' fifth strikeout victim.

No runs, one hit, no errors, none left.

FOURTH INNING
DODGERS—Reese rammed a double over Collins' head into the right field corner for Brooklyn's first hit.

Snider slashed a drive into the right field corner, scoring Reese but was out trying to stretch the hit into a double.

Campanella walked on four pitches.

Furillo sent a high fly to Noren. Hodges flied to Noren.

One run, two hits, no errors, one left.

YANKEES—McDougald lined a single to right.

Hodges grabbed Noren's sizzler inside the first base line, stepped on first and threw to Reese who tagged the sliding McDougald to complete a double play.

Berra dropped a single over Reese's head.

Collins walked on four pitches, the first pass issued by Loes.

Howard smashed a single to left, scoring Berra with the tying run as Collins stopped at second.

Martin hit a ground single past Reese into left field scoring Collins and sending Howard to second.

Manager Walter Alston came out of the dugout to talk to his pitcher but allowed him to remain in the game.

Eddie Robinson batted for Rizzuto. Loes' first pitch hit Robinson on the back, filling the bases.

Jerry Coleman ran for Robinson. Byrne rifled a single past Loes' ear into centerfield, scoring Howard and Martin with the third and fourth runs as Coleman stopped at second. That was all for Loes.

Don Bessent went into pitch for the Dodgers.

Cerv hit the first pitch on the ground to Zimmer who threw him out.

Four runs, five hits, no errors, two left.

FIFTH INNING
DODGERS—Coleman took over at shortstop for the Yankees.

Robinson walked.

Zimmer lined a single to left, Robinson stopping at second.

Frank Kellert batted for Bessent and grounded into a double play, Coleman to Martin to Collins as Robinson advanced to third.

Gilliam hit a ground single

through the hole between short and third, scoring Robinson.

Reese was called out on strikes. One run, two hits, no errors, one left.

YANKEES—Karl Spooner, a lefthander, became the third Dodger pitcher.

McDougald looked at a third strike.

Noren walked. The fourth ball bounced off Campanella's mitt and rolled clear to the backstop but Campanella recovered in time to hold Noren at first.

Berra punched a single past Reese into left center but Noren was out at third on a fine throw by Gilliam to Robinson.

Collins went down swinging. No runs, one hit, no errors, one left.

SIXTH INNING
DODGERS—Martin threw out Snider.

Campanella flied to Howard. Furillo popped to Collins.

No runs, no hits, no errors, none left.

YANKEES—The paid attendance was announced at 64,707. Robinson threw out Howard. Martin struck out swinging. Coleman also struck out.

No runs, no hits, no errors, none left.

SEVENTH INNING
DODGERS—Hodges walked on four pitches.

Robinson flied to Howard.

Zimmer struck out on a 3-2 pitch and Hodges was doubled up at second, Berra to Martin.

No runs, no hits, no errors, none left.

YANKEES—Spencer charged in for Byrnes' high bounce in front of the plate and nipped him at first.

Reese went to his right for Cerv's hard grounder and threw him out. McDougald went down swinging.

McDougald's fifth strikeout and strikeout number 10 for the Yankees.

No runs, no hits, no errors, none left.

EIGHTH INNING
DODGERS—Don Hoak batted for Spooner and walked.

Gilliam bounced into a double play, Martin to Coleman to Collins, to set a new series record of six double plays.

Reese lined a long single to left. Snider fanned.

No runs, one hit, no errors, one left.

YANKEES—Clem Labine went in to pitch for the Dodgers.

Zimmer muffed Noren's sinking liner permitting Noren to reach first on the error.

Berra was called out on strikes, the 11th Yankee to strike out. Collins flied to Snider.

Howard forced Noren, Reese to

through the hole between short and third, scoring Robinson.

Reese was called out on strikes. One run, two hits, no errors, one left.

Dates Ahead

Friday, Sept. 30—8 p.m. Rural Youth Committee Meeting. 4-H National Award entries will be reviewed and judged.

Friday, Oct. 7—County Kitchen Tour starts at 1:30 p.m. at the Smithton Methodist Church.

Saturday, Oct. 8—4-H Junior Leaders meeting, 9:30 a.m. Assembly Room, Courthouse.

Tuesday, Oct. 11—County Extension Club Achievement Day and Chicken Barbecue.

Achievement Day Date Changed

Due to conditions beyond our control it has again become necessary to change the Achievement Day date to Tuesday, Oct. 11. We hope this does not interfere too much with Extension Club plans.

Also, we are asking that every member cooperate with their club president by telling other members about the change in date and helping to get the barbecue tickets purchased. The price of the tickets will be \$1.25. We prefer the president or someone representing the president to collect all the money and purchase for the entire club at one time. The tickets will be available at the extension office beginning Saturday, Oct. 1. No tickets will be sold after 5 p.m. Thursday, Oct. 11.

The menu for the barbecue will consist of 1/2 chicken, baked beans, slaw, bread, ice cream and milk.

Serving will start at 11 a.m. We think everyone who is not helping with barbecuing will want to come early and see the method used in preparing the chicken in this manner.

The afternoon program will be held in the Fox Theatre beginning at 1:15 p.m. There will be a style show. The models will be extension club women and the garments will be furnished by local stores. Miss Ilene Page, home agent in training will have charge of the style show.

The County Chorus will consist of some 50 or 60 extension club members. Mrs. Nolan Dorrance, Dresden Extension Club, will direct the chorus.

Clarence Klinger, agricultural economist from the University of Missouri will speak on "Planning and Working Together As a Family."

The Standard of Achievement Certificates will be presented to the clubs meeting the standard.

Longtime members and new members will be recognized. Also, there will be memorial services for our departed members.

The program will conclude with a Pennies for Friendship drill.

1956 Extension Club Dues Are Due. It has been the custom to pay the club dues, donations to Campbell Harrison House, Associated County Women of the World and Pennies for Friendship on Achievement Day. There will be arrangements made to do this on this date; however, it will be permissible to mail the dues and donations to the county treasurer, Mrs. John Silsby, Route 4, Sedalia. Please itemize the amount sent. Remember the dues are \$2 per club.

Election for New Extension Council. Township elections begin next week for the purpose of electing a man and a woman from each township as representatives for the County Extension Council. The first meeting will be Monday night at 7:30 in the Assembly Room of the Courthouse.

The new council is being elected to conform with the provisions of the new county extension law passed by the legislature. The new council will have as its responsibility to plan and help develop the extension agricultural program in the county.

All farm people of voting age are urged to attend the election meeting in their township. Please consult the farm page of our September 26 Democrat or September 27 Capital for dates of these township meetings or call the extension office—telephone 457. This is your county extension program. Your attendance at these election meetings will help to make it a stronger organization.

Kitchen Tour. The County Kitchen Tour will be Friday, Oct. 7. The schedule is as follows: Meet at the Methodist Church in Smithton at 1:30 p.m. From there to the homes of Mr. and Mrs. William Ficken and Mr. and Mrs. Olen Monsees, south of Smithton and Mr. and Mrs. William Green, north of Smithton.

This tour will consist of seeing both new and remodeled kitchens. Anyone interested in kitchen arrangement, remodeling or building a new one is invited to make the tour.

Mulching Evergreens. Mulching about evergreens is important. It is especially necessary if the plants are set during dry weather or late in the spring season after top growth has started, for the moisture supply must be kept up until the plants have become thoroughly established. Since the leaves function in winter, even though there is no active growth, evergreens have no period of as nearly complete rest as deciduous plants, and therefore, require a constant moisture supply.

Fall mulching, by preventing too deep freezing, will enable the plant to take in moisture to replace that lost continuously through the leaves. The mulch should consist of a three or four inch layer of straw manure, straw, partly decayed leaves, or compost; or about an inch of peat moss. It is spread on the ground around the plants, covering the space between them if they are closely planted. It is an advantage to maintain the mulch the year around.

Pruning Evergreens. Pruning evergreens should generally be for the purpose of directing and restraining their growth and maintaining a compact mass of foliage. Cut back well into the old wood and always make such a cut directly above a side branch. The best time to do this is in late winter or early spring, just before growth starts, but if the evergreen material is wanted for decoration in the home, as in the winter holiday season, pruning may be done then.

Whenever such a cut is made the plant develops at other growing points to fill in the space. Summer pruning should also be practiced to keep the plants dense. The usual time for summer pruning is the first or second week in June. At this time the tips may be cut back to about half the growth made in the current season. The dormant shoot buds that have been formed will be activated into growth and then the plant will become more dense.

Work, Sleep, Play In Comfort

Without Naging Backache. Naging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upset or day-to-day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation... with that restless, uncomfortable feeling. If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys—tending to increase the output of the 15 miles of kidney tubes. So if naging backache makes you feel dragged-out, miserable... with restless, sleepless nights... don't wait... try Doan's Pills... get the same happy relief millions have enjoyed for over 60 years. Get Doan's Pills today!

C. of C. Drive For Members Begins Today

Forty-four players on the five teams in the Chamber of Commerce membership drive, which is in the form of a football game, were at the Bothwell Hotel Wednesday morning for the kick-off breakfast. There are four men's teams and a women's team. Just ten minutes after the breakfast, Mrs. John Welch, a member of the women's team entered the Chamber of Commerce office wanting to know if she should turn in the membership at that time or wait until Friday at 5 p.m. when the drive closes. She had, like all the players, taken a few cards of prospective members and went right to work on the first card, bringing in the membership.

The meeting was presided over by Mrs. Marjorie Garansson, director of the membership division, and while all workers were not at the breakfast the five captains were pleased with the response from those they had asked.

Invocation was by Henry Salveter.

Kennie Miller played a record on how a football game looks to somebody who doesn't know anything about it, and he feels the same way about it. However, Kennie knows how to take the ball and run on a membership drive for the Chamber of Commerce and that is all that is necessary.

K. U. Love, president of the Chamber of Commerce, made a short talk on what the Chamber of Commerce means. Everybody belongs to the Chamber of Commerce, he said, whether they pay dues or not, because this organization is constantly working for the good and the progress of the community. It takes a great deal of money, he said, to carry on this work of trying to bring new industries, Christmas parades, and all the many things that means so much to everybody.

Mrs. Frank Wagner, membership chairman, spoke briefly on membership.

Posters were made by Maurice Hogan as well as the score boards which are in the Chamber of Commerce office.

The teams are as follows: Stohr's Kilowatts, Julius Stohr, chairman, Claude Boul, Elmer Adams, A. B. Wade, Clinton Muller, George Curnutt, W. E. Bingaman, Virgil Herrick, Henry Salveter, Everett Stevenson, John Ryan, Harry Naugel, Forrest Benner and Don Weller.

Bowman's Bears, Emory Bowman, captain, Richard Johnson, A. H. Pledge, Maurice Griffin, Ivan Berry, J. O. Latimer, Curtis Schuchbach, Albert Zurcher, Frank Mehl, Aubrey Case, Gerald Cecil, Joe Ruddick and Leon Hall.

Miller's Mules, Kennie Miller, captain, Floyd Priddy, Pat Clark, Dick Battles, Lloyd Phillips, Jack Shoemaker, W. A. Smith, James Denny, L. A. Pharris, Keith Yount and Charles Maggard.

Swafford's Gophers, Clyde Swafford, captain, Dan Robinson, Del Heckart, Russell Maag, Bill Reinhart, Vernon Rodick, Merle Vaughan, Dick Esser, Earl Lashley, A. B. Warren, C. W. Stephenson, Cecil Owen, Paul Heddrich, W. E. Hurlbut Jr., Jack Cunningham and K. U. Love.

Rissler's Rustlers, Mrs. Edith Rissler, captain, Mrs. Eleanor Goldman, Mrs. J. W. Boger, Mrs. Gold Ilgenfritz, Mrs. K. U. Love, Mrs. Stanton Hudson, Mrs. E. H. Walker, Mrs. Peggie Homan, Mrs. C. F. Scotten, Mrs. Lorene Hofheins, Mrs. J. C. Angel, Mrs. John Welch, Mrs. Harold Baudendistel and Mrs. Don King.

Awards are as follows: first prize, player with first high points, electric coffee maker, from Goodrich store; second prize with second high points, man's shirt or woman's lingerie, from Flowers; third prize, with third high points, ten tickets to Uptown Theatre; fourth prize for fourth high points, hand painted ash trays from Queen City; special prize for most new members, a ham from Bing's; first prize of winning team, bronze cigarette tray, Zurcher's; first prize player of each team with first high points, two tickets to Fox Theatre; prizes for each player on winning team and captains, for men, ties from the following stores: Russell Bros., Rosenthal's, Wilson's, Montgomery Ward and Mullin's. Women, hose from the following stores: Connor Waggoner, Ellis, Rosenthal's, Montgomery Ward, Vogue Shop, Burton's and Sages.

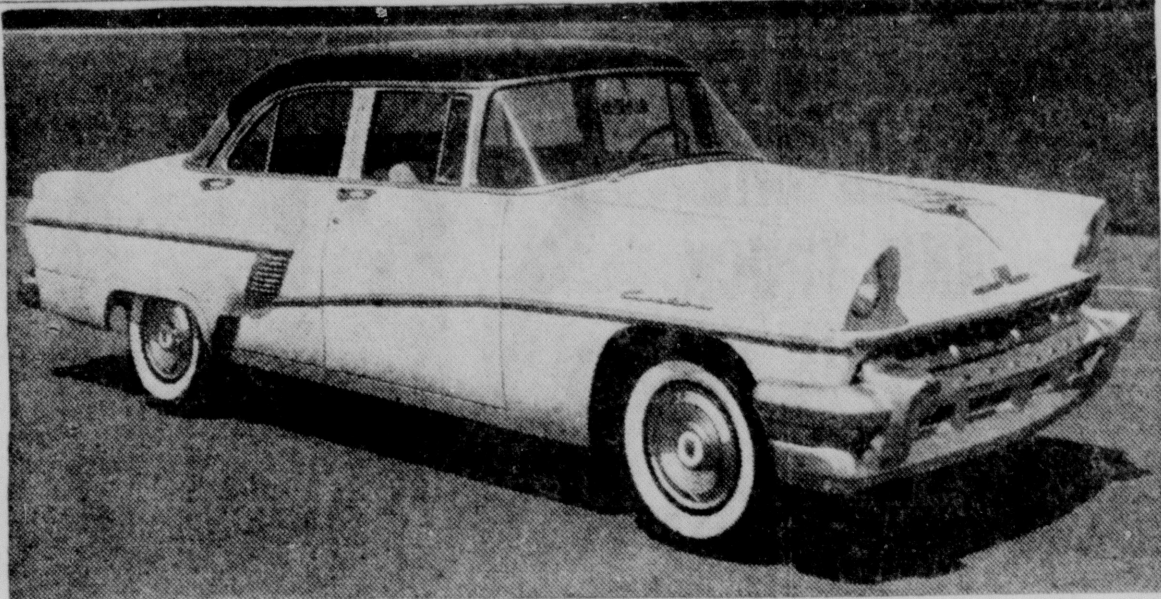

Special prize with five new members football ticket to MU game.

Big Three Warn USSR About Arms, Berlin

NEW YORK (AP)—Two strong warnings by the West to Russia on Berlin and Middle East arms stood out today as the most significant outcome of the Big Three foreign ministers' meetings here.

A caution to stay out of an arms race for Middle East favor and stern notice that Russia's recognition of East Germany does not relieve her of responsibility for the Soviet zone of Germany proved, one authoritative informant said, "that we are not being lulled by words about the spirit of Geneva."

"When one party at Geneva by its acts starts muddling up tensions all over again, in other quarters, then the spirit of Geneva is being violated and we must say something about it," he added.

A more massive appearance, brought about by a new grille treatment and lowered height, is combined with a more powerful engine in the Mercury for 1956. A sweep side moulding adds to the graceful flowing lines, and accentuates the low, road-hugging characteristics of the car. Powered by a big new 312-cubic inch displacement Safety-Surge V-8 engine, the 1956 Mercury has superior acceleration and passing ability. New safety features including an improved door latch, an impact-absorbing steering wheel and safety belts are offered. Shown here is a Custom four-door sedan. New models are now on display at the Jenkins-Greer Motor Co.

Baptist Church Has Laymen Day Program

On October 2 the Baptist Church in Warsaw will be observing Laymen's Day. Laymen from Warsaw will be in charge of Sunday school services, choir, and two men will speak at the church services. The identity of these men is being kept secret and if you are interested in who might be teaching Sunday school or preaching, you are cordially invited to come and see.

The School of Missions for the Benton County Baptist Association will begin at the Warsaw church next Sunday night, Oct. 2. These meetings will continue all next week at the various churches throughout the county. Those missionaries from the home mission board who will be in attendance will be John B. Parker, Fort St. Louis; Leslie Gunn, Oklahoma City, Okla.; T. S. Hawkins, Sayre, Okla.; William S. Wall, Cubero, N.M.; and Dr. Ernest L. Ackiss, secretary of military personnel of the home mission board. Foreign missionaries who are on furlough will be Miss Pearl Caldwell, Pontotoc, Miss., on furlough from China and Mr. and Mrs. George Bowler, Liberty, Mo., on furlough from Argentina.

Benson Officiates At Daughter's Wedding

SALT LAKE CITY (AP)—Secretary of Agriculture Ezra Taft Benson officiates today at the wedding of his 21-year-old daughter Barbara to Dr. Robert Harris Walker, 33, of Calgary, Alta.

The ceremony takes place in the Salt Lake temple of the Latter-Day Saints (Mormon) Church. Benson is a member of the church's ruling Council of Twelve Apostles. Members of the council are empowered to perform marriages.

Stabs Wife to Death

NEW YORK (AP)—Guillermo Mahais yesterday stabbed his wife, We, with a kitchen knife, then pinned a note on her body which read: "I killed her because she was playing round," police said. Then Mahais took their infant child to the home of a sister with another note which read: "Take care of the baby. The police will take care of me."

Wisdom Of The Ages

Some firms prefer the large accounts
And some prefer the small
When left to us
We never fuss
We just prefer them all.

The Sedalia Savings and Loan Association wishes to point out that a savings account is not just a slow process of accumulating a small amount of money to be used in old age. As a matter of fact fully ninety percent of those who save at the Sedalia Savings and Loan Association do so because they know that a savings account is the basic ingredient for success in business or profession . . . Not a carbon copy of old age pension, but a living, vital force to be used when opportunity arises. Open your insured savings account this very week at the

Ex-Sedalian Tunny Is New P.O. Director

Postmaster General Arthur E. Summerfield announced today the appointment of James B. Tunny as Regional Director for the Post Office Department with headquarters in St. Louis, Missouri, effective Monday, Oct. 3, 1955. Tunny will be remembered by many Sedalians as the resident Post Office inspector in the Sedalia Post Office for a number of years in the early 1930's.

The St. Louis Regional Office will direct all postal activities in the states of Missouri, Arkansas, and Iowa. With this appointment, the Post Office Department is bringing all phases of postal business under one field head in this area.

There are seven Postal District Offices functioning under the St. Louis Regional Office: located in St. Louis, Springfield, and Kansas City, Mo.; Little Rock, Ark.; and Davenport, Des Moines, and Sioux City, Iowa.

The St. Louis Regional Office was opened on Thursday, Sept. 9, 1954.

The new Regional Director is presently Regional Operations manager in St. Louis. Mr. Tunny served for 28 years as a Post Office Inspector in that city. In May of 1946, Mr. Tunny was loaned to the War Department for two years to rehabilitate the Japanese Postal Service.

In 1953, he held an interim position as Acting Postmaster at New York City. In the establishment of the decentralization program for the Post Office Department, Mr. Tunny served as Regional Operations Manager in the first pilot regional office opened at Cincinnati, Ohio, on Nov. 24, 1953. More recently Mr. Tunny has been Assistant Executive Director of the Bureau of Post Office Operations in Washington.

A veteran of the first World War, Mr. Tunny spent almost two years overseas. He is married and the father of one daughter and a son who is now with the Armed Forces.

Coffee Price to Fall

WASHINGTON (AP)—Coffee prices should tumble before the year's end, more than erasing the recent retail price boosts which ranged up to 4 cents a pound.

This was the consensus today of trade observers here, who noted a world surplus of coffee is expected and new harvests start coming to market in November and December.

Chiropractors Will Conduct Symposium Here

Leading chiropractors from throughout the state comprising the board of governors of the Chiropractic Society of Missouri, will conduct an educational symposium in the Magnolia Room of the Bothwell Hotel next Sunday.

Dr. Ralph A. Powell, M.S., D.C., of Lee's Summit, first vice-president, will be moderator during a forum type discussion of diseases of the respiratory tract.

Chiropractic technique for the relief of pneumonia, tuberculosis, pleurisy, virus infection, asthma and hay fever will be discussed by Dr. N. B. Primm of Kansas City, secretary, Dr. E. Gerlt of St. Louis, National Chiropractic Association state director, Dr. M. H. Lobdell, St. Louis, executive secretary, Dr. Brian Davis, Kansas City, sergeant-at-arms, and Dr. J. T. Young, Montgomery City, second vice-president.

This symposium is one of a series being held throughout the state as part of the educational program of the Chiropractic Society of Missouri.

On Hunger Strike

WALLA WALLA, Wash. (AP)—Thirty-seven inmates at the state penitentiary passed up their fifth successive meal last night in protest against outmoded quarters and the possibility of punishment for rioting in July and August.

The men are drinking large quantities of water, apparently to assuage the hunger pangs, and a prison physician is checking them regularly.

Warden Lawrence Delmore Jr. said when "they come to their senses, I'll talk with them again and they can eat whenever they are ready."

About Town

Charles I. Spahr, Burbank, California, formerly a resident of Sedalia is visiting his father and mother, Mr. and Mrs. Milo I. Spahr, LaMonte, and other relatives and friends.

Mr. and Mrs. Adolph Kneese of Fredericksburg, Tex. have been visiting their cousin, Miss Elizabeth Falder, 234 South Harrison. Mrs. O. E. Warren, 700 1/2 South Ohio, has returned home after spending the past week with her son, Alvert Warren and family, in Kansas City.

Delaware has 295 miles of railroad.

Humphrey Urges US To Cut Defense Costs

WASHINGTON (AP)—Secretary of the Treasury Humphrey reportedly has urged the Defense Department to conduct a "never give up" search for waste, extravagance and duplication in an effort to trim defense spending.

This, rather than a reduction of military force or equipment levels, was said yesterday to have been Humphrey's suggestion after Secretary of Defense Wilson decided it was unwise from a military standpoint to cut service spending more than already contemplated.

Wilson was said to have agreed to the campaign against waste.

Steaming Old Barrels For Whisky Is Costly

LOUISVILLE, Ky. (AP)—Steaming old barrels to get whisky illegal, especially if you fail to pay the federal taxes on the liquid obtained.

A federal grand jury returned indictments charging 15 men bought more than 16,000 used whisky barrels, took them to farms in Nelson and Anderson counties and obtained a gallon of whisky from each by steaming.

Fliers Share Radarscope With Russians

YUMA, Ariz. — Sharing a radarscope with a Soviet fighter pilot is a little close, but its old stuff for members of the Alaskan Air Command's hot rocketry team now in Yuma.

Headed by Col. Ronald D. Hubbard of Warren, Ohio, the team carries the Alaskan Air Command's hopes against seven other crack units in the U.S. Air Force worldwide air-to-air rocketry competition scheduled here Oct. 3-7.

"When we are on the job in Alaska," Col. Hubbard said, "Siberia is only 28 miles away. If they go out over the Bering Sea,

so do we. And that puts us even closer together."

Intelligence reports put Russian air strength east of the Ural Mountains well in excess of 10,000 aircraft of all kinds and some of them are as close as they can get to the North American continent for what Col. Hubbard termed frequent "spoofing" missions.

These are runs into the Alaskan radar surveillance to see what kind and how quick a reaction results. The purpose is to test the alertness and probe for weaknesses in the defense.

A director of operations for the

Alaskan Air Command 11th Air Division, Col. Hubbard is very conscious of this.

"We always scramble when we pick up Soviet aircraft on our radarscopes," said expert radarman Capt. Patrick F. Donnelly of St. Louis, Mo.

"While we are keeping them in sight, it is easy for both our flight and the Russians to be within an inch of each other on the glass."

He did not say exactly how close they would be but even 28 miles is close for a couple of jets.

Col. Hubbard said:

"As we would probably be the first to be tried if this country

were ever hit by an air attack, I'd feel a lot better if we took first in this meet."

The population of Russia is 214½ million.

Tigers Clash With Hornets Friday Night At North K. C.

S-C Seeks To Avenge Loss Last Year

By Vic Van Dyne

Friday night the Smith-Cotton Tigers travel to North Kansas City to clash with the North Kansas City Hornets. The boys in gold and black will be out to avenge the defeat handed them in 1954 by the Hornets of 27-6.

To date the Tigers have two victory scalps hanging to their belt, that over St. Joseph Central of 27-7 and Springfield 21-7. The Tigers are hoping to keep repeating and repeating and Friday will be a real test as the Hornets are rated high this season.

The two teams are about evenly matched as to weight average with the Hornets possibly having a slight edge in the weight department.

Sedalia's two wins were over teams both rated much lower in the weight average than the Tigers. Both St. Joseph Central and Springfield Central teams were classed as light but fast teams.

Coach Ralph "Stub" Dow and his assistants, Howard Glavin and Bob Edmondson, have been working the boys hard the past week, especially in the passing department. Coach Dow, however, is bothered by many injuries that were suffered in the past two games. Both Bob Austin and Gilbert Roberts were taken out in the St. Joseph game, Austin with a dislocation of the elbow, Roberts dislocation of the right shoulder. Both Charles Van Dyne and Rudd Van Dyne are nursing "charlie horses" as results of the past two games, and Sonny Newman a bruised shoulder.

During practice this week Vernon Means suffered a sprained ankle on Tuesday; Art Bethky received a smashed toe; Bill Wingfield is having trouble with a bruised knee.

Both Van Dyne's are expected to be ready for action with North Town, but how long they will be able to stay in the game depends on treatment they have been receiving the past few days.

Air Force Will Rank In Football Powers

DENVER (AP)—A step toward pulling the U. S. Air Force Academy into the ranks of the future football powers was taken with the signing of Lawrence T. (Buck) Shaw as head coach yesterday.

Shaw, a 56-year-old veteran of college and professional coaching, was signed to a five-year contract at an undisclosed sum. It takes effect Jan. 1, 1956.

He was named civilian consultant to the Academy football staff last summer. This position will be terminated tomorrow and Col. Robert V. Whitlow, athletic director, will double as head coach of the school's first team. It plays an eight-game schedule against regional freshman teams this fall. The Academy's football blueprint calls for stepped up varsity competition starting in 1956. It is to culminate in annual games with Army and Navy and the scheduling of major opponents from top conferences across the nation.

Local Man Wins At Sweet Springs Show

E. H. Faulwell, Sedalia, won third prize in the men's pleasure class at the Sweet Springs Horse Show, Sunday, Sept. 25. His granddaughter, Jerry Ann Mayfield, Ottumwa, won fourth prize in the children's horsemanship class, 12 years and under at the same show.

The probable starting lineup for Friday night is as follows: Charles Van Dyne, left end; Norris Kelley, left tackle; Edward Hall, left guard, with Don Barbour shifting from right tackle to center replacing Austin; John Brummet, right guard, with either Dick Wherley or Walt Kennon at right tackle with Kennon possibly being

Breaks Slump in Batting--

Joe Collins Ends Three-Year Nightmare in Series Opener

NEW YORK (AP)—A three-year nightmare turned into a golden dream for Joe Collins, the thin, sinewy part-time first baseman of the New York Yankees.

His two mighty home runs sent the Yankees off to a 6-5 opening day victory over the Brooklyn Dodgers yesterday and erased some of the harrowing memories of his total "bust" in a similar series in 1952.

In that series against Brooklyn Collins went hitless in 12 times at bat and struck out four times in one game with Carl Erskine pitching.

"This sort of lets me off the hook," said the 32-year-old veteran, a Yankee hanger-on in recent years. "It's a wonderful feeling."

His batting average in four world series is .138. In two he went hitless. For the 1955 season he batted .234.

Manager Casey Stengel, a "hunch" man, said he played Collins in the latter stages of the season only "because we had a winning streak going and I didn't want to break up the combination."

Stengel said in one of the last games at Washington, when the Yankees were attempting to nail down the pennant, he started to take Collins out of a game. But then, noticing three good Washington hitters coming to bat, he changed his mind and kept Collins in "for defensive purposes."

"Then Joe hit a triple that helped us win the game," Casey added. "I was a hero but I got in through the side door."

Casey proved the same sort of hero yesterday in using Collins against big, right-handed Don Newcombe. Under his two-platoon system, Stengel uses Bill Skowron against lefties.

"I may still substitute for Collins against left-handers," Stengel said, "but I've got confidence in Joe. He can hit good pitchers."

Athletic Association Activities Scheduled

At a meeting of the Pettis-Benton Counties Athletic Association on Sept. 6, the following activities were scheduled: One-act play contest, Dec. 1, Smithton; fine arts contest, Feb. 8, Lincoln; Ind. arts contest, April 15, LaMonte; vocal music contest, March 9, Cole Camp; band contest, March 16, Warsaw; literary contest, April 18, Green Ridge; and home economics and high school spelling contest, date to be decided, Houstonia.

World Series to Japs

TOKYO (AP)—The Voice of America starting today will broadcast the World Series in Japanese for the fifth consecutive year. On-the-spot, play-by-play accounts will be beamed to baseball-loving Japan for rebroadcast by the Japan Broadcasting Corp.

Dale Adams Breaks World Turf Record

Dale Adam, owned and driven by Bob Parkhurst of Sedalia, broke a world's pacing record on Monday at the Delaware Fairgrounds, at Delaware, Ohio. Dale Adam paced off a 2:01 3-5 win over the mile in the Almahurst pace, slicing 1-5 second from the old mark for the age, sex and gait set earlier this year by Peter Van Gundy.

Furillo Says Double Play Decided Game

NEW YORK (AP)—What was the decisive factor in the first game of the 1955 World Series: the three Yankee home runs? The pitching of Whitey Ford and the relief work of Bob Grim?

It was none of these, in the opinion of Carl Furillo of the beaten Brooklyn Dodgers. A great many baseball men such as Manager Casey Stengel of the Yankees agreed with him.

"The turning point was that double play that Billy Martin started in the fourth inning," said Furillo. "It looked as if we had Ford on the run and then boom—"

The score was tied at 3-3 and home runs by Furillo and Duke Snider as well as a booming triple by Jackie Robinson had perhaps unsteadied Ford a bit. Then in the fourth Don Zimmer drew a base on balls. Don Newcombe forced him, but Junior Gilliam worked Ford for another walk and the Yankee dugout began to stir.

Up came the always dangerous Pee Wee Reese. He cracked a sharp grounder deep to Martin, and the peppery Yankee second baseman made a clean stop and a fast throw to Phil Rizzuto. Despite Gilliam's hard slide into second, Rizzuto's peg reached first ahead of Reese.

The Yankees went on to win 6-5 and gain a jump that has proved vital in the series nearly two times out of three. The team that won the opener has won the series 32 times and lost it 19.

To baseball men this sparkling double play at the precise moment it was needed was all important. It overshadowed the five home runs and Jackie Robinson's spectacular steal of home in the eighth.

Jim Houston Of Minnesota Is Top Lineman

NEW YORK (AP)—Minnesota was a two-touchdown favorite over Washington last Saturday, but the underdog Huskies chalked up a 30-0 upset sparked by the superb play of veteran end Jim Houston.

For his smashing performance Houston, a 6-1 senior, was named today as football lineman of the week by the Associated Press.

Minnesota was on the Washington six early in the game when Houston made the first of his many alert plays that put the Gophers back on their heels for the rest of the game. Minnesota's Don Swanson faded back to pass, but Houston broke through, blocked the attempted aerial, grabbed the

ball in the air and ran 54 yards to the Minnesota 34. This set up a 27-yard field goal by Dean Derby.

Before the game was over Houston had scored two touchdowns himself. He caught a 4-yard pass for the first and fell on a wild Minnesota pitchout in the end zone for the second.

Another end, Ron Kramer of Michigan, played a bangup game against Missouri and was a close runnerup to Houston.

Kramer, a 6-3 junior, caught three touchdown passes (14, 22, 12 yards) and kicked 5-of-5 extra points as Michigan romped to a 42-7 triumph.

Missouri Coach Don Faurot asserted "Kramer is the greatest end I've ever seen and I've seen many of them. We couldn't cover him when we knew they were going to pass to him."

Chuck Yonkers, of Tulsa, also was nominated for top lineman honors.

Boyd Beats Fuller In 10-Round Fight

CHICAGO (AP)—The windy city, which hasn't produced a title contender in the ring since the days of Johnny Bratton, may have one in middleweight Bobby Boyd.

Boyd, a lanky 21-year-old Negro was in the ring at Chicago Stadium last night with subby Gene Fuller, 23, a ranking middleweight from West Jordan, Utah, and carried off a well earned unanimous 10-round decision.

Boyd, outweighed his vicious-swinging foe 161 1/2 pounds to 155. Referee Tony Zale favored Boyd 97-96, Judge Harold Marovitz 97-94 and Judge Lou Capperello 96-94.

It was only the second loss absorbed by Fuller in 33 fights.

He ran into a Boyd left in the third round and went down. Zale picked up the count and continued to the mandatory eight, but Fuller bounced up immediately and it appeared at ringside to have been more of a slip. Otherwise,

Utah Team Studies Football Tactics of MU In Preparation for Game This Saturday

Coach Curtice Thinks Tigers May Be Upset

SALT LAKE CITY (AP)—Utah's sophomore-studded football team plays its third straight intersectional game at Missouri Saturday after breaking even with a pair of Pacific Coast Conference teams.

There was optimism in the Redskin camp Tuesday as Coach Jack Curtice sent the team through a drill acquainting it with Missouri's offense. The optimism stems from:

1. The Utes' 20-13 victory over arch-foe Idaho last Saturday.
2. Asst. Coach Pete Carlston's prediction that "if we play the kind of game we are capable of playing, we can beat those Tigers."

Carlston scouted Missouri's 42-7 loss to Michigan last Saturday.

However, Curtice was less optimistic. "We've got a couple of boys hurt and we know that Missouri is a fine ball club, but we hope to make an interesting ball game of it," he said.

"I looked at movies of the Idaho game, and we looked ragged in spots. We've got to do a lot of work this week if we are going to reach the potential Carlston speaks of."

Asked what he meant by "ragged," Curtice said he was referring to three fumbles made by the team. Idaho recovered all three and turned two of them into touchdowns.

Costly fumbles also cost Utah its opening game with Oregon, 14-13.

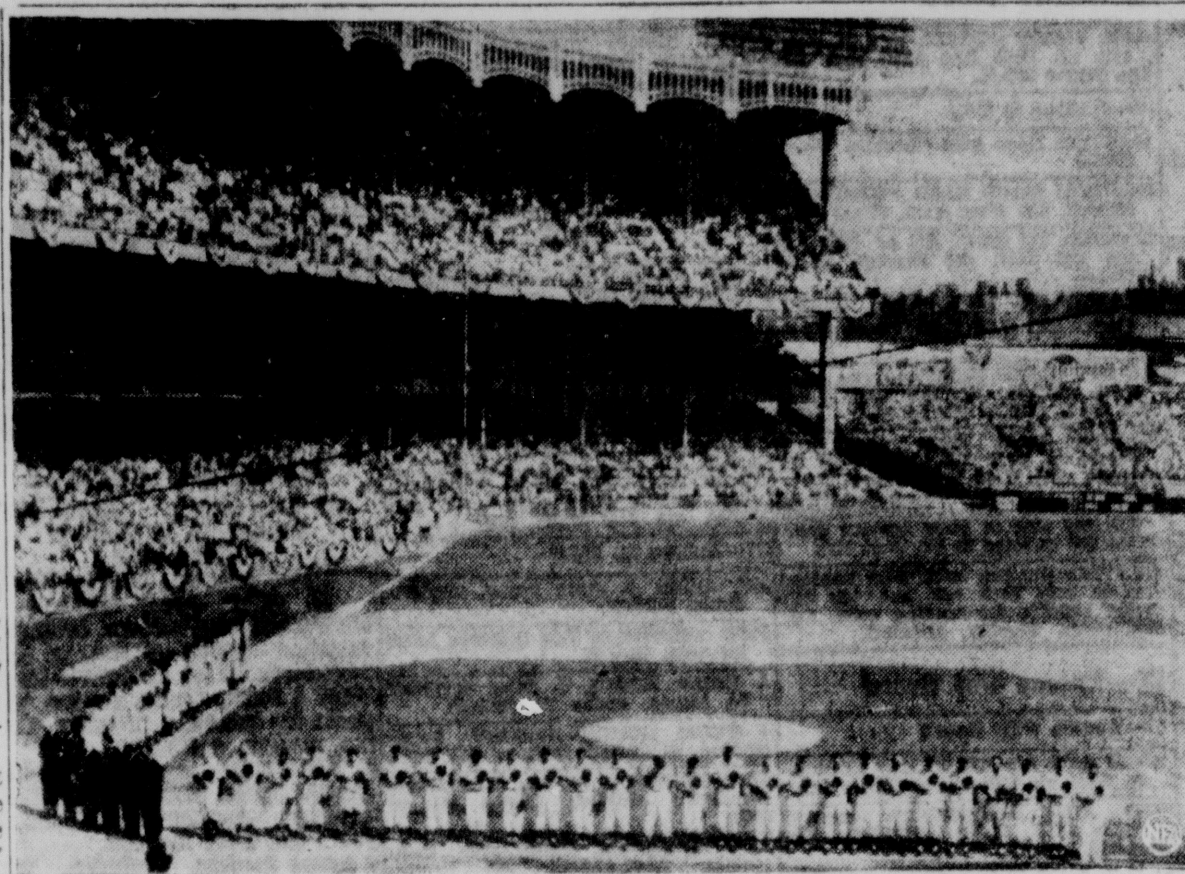

A lot of the team's jittery play can be blamed on inexperienced sophomores who make up more than half the squad. Three sophomores are on the starting lineup and five are on the second string.

"But these youngsters are coming along," Curtice said "and by the time we enter Skyline Conference play they should be ready to go. They may surprise this week. At any rate meeting Missouri is a fine opportunity for our team."

Against Oregon, the Utes fell down when they had opportunities to score, reflecting some of the team's inexperience. Twice they were inside the 10-yard line, but could not punch the ball over the goal.

But against Idaho the Redskins were much more alert and capitalized on a fumble, a pass interception and a pass interference penalty against the Vandals to set up their three touchdowns. The clincher came in the fourth quarter when quarterback Dave Dunagan threw a 22-yard touchdown pass to halfback Lou Mele to break a 13-13 tie.

Bitter Feud Between Martin, Campy Develops

NEW YORK (AP)—A bitter feud is developing between Brooklyn catcher Roy Campanella and New York second baseman Billy Martin and if they happen to come in contact with each other in today's second World Series game, it wouldn't surprise anyone to see them come up swinging.

It all started when Martin proclaimed a couple of days ago that Campy was shy—that is, he fell back on contact plays. Campanella laughed that one off, but

Nakken—all veterans—are the sparkplugs of Utah's offense. Mele, a squat 5-foot-5-inch, is the leading ground gainer with an 8.1 average, leads the team in scoring with 12 points, is tops in yardage gained by pass receiving with 82 and has a 40.8 punting average.

Dunagan's passing fizzled against Oregon, but he found himself last Saturday and completed six of nine throws for 93 yards and one touchdown.

Left end George Boss, right tackle Donnie Barr and left tackle Lynn Simmons are the best defensive men on the squad.

Second string quarterback Kent Nielsen has looked best among the sophomores.

Only two serious injuries result-

when Martin tried to steal home unsuccessfully in the Yanks' opening 6-5 victory yesterday, the Brook catcher really got annoyed. "Any time that shrimp thinks he's going to run over me, little as he is, I'll break every bone in his body," growled the usually amiable Campy. "Just let him take two steps toward me and I'll take care of him. He's been too smart for too long."

When Martin came out of the dust after being tagged out, he made a threatening gesture toward Campanella, but Roy was on his way to the dugout by then, so it didn't mean anything.

"If it had been a regular-season game instead of a world series, I'd have punched him in the nose," snarled the scrappy Martin. "That was the second time he hit me in the neck with a tag."

Martin was referring to an incident in the '53 series when he ran into Campy, only to be tagged out.

Apprised of Martin's remarks, Campanella grunted: "I missed tagging him where I wanted to by about three inches. I'd like to have tagged him in the teeth."

ed from the Idaho game. Tackle Pete Riehlman and halfback Gary Knudson, both reserves, hurt their knees and probably will not play against Missouri. This will hurt the Utes' depth in the line.

The Utah team will fly from Salt Lake City at 8 a. m. (MST)

Mrs. Edwards Places Third In Archery Tourney

The Lake of the Ozarks Archery Club held an unusual Invitational Shoot last Sunday at Camdenton, in which Mrs. O. L. Edwards, a member of the Osage Bowmen Club of Sedalia placed third in the women's division.

Patterned after the Necedah Shoot which has helped to train some of the nation's best hunters of Wisconsin and Michigan in the bow and arrow sport, it proved most interesting to the entries.

All targets were life size deer silhouettes. Each archer shot four arrows, hit or miss, at each of the 28 targets over a rough and wooded area.

Winners from this area were Mrs. Edwards of Sedalia, who was third in the women's division, and Jim Belbruch of Windsor, who was third in the men's division.

Tommy Walkenbach, Jefferson City, was the winner of the intermediate.

Lon Stanton of Camdenton was the winner of the men's division and also high 6-score with a total of 33 6's.

Friday and arrive in Kansas City at 1:20 p. m. (CST). It will travel to Columbia from Kansas City by bus.

Patterson Is Favored To Beat Whitlock

SAN FRANCISCO (AP)—Floyd Patterson, 20-year-old contender for aging Archie Moore's light heavyweight crown, meets Dave Whitlock of Oakland, Calif. in a 10-round match tonight.

Patterson has suffered only one setback in 25 starts—a disputed loss to Joey Maxim. The Brooklyn boxer is heavily favored to whip Whitlock, now on a comeback and No. 9 contender in the light-heavy ranks.

Superior Court Jury Hears World Series

DENVER (AP)—Superior Court jury duty didn't stop the panel from hearing the first game of the World Series.

Judge Mitchell Johns, a baseball fan himself, had bailiff Bill Koolbeck bring in jury by innuendo results to the courtroom.

The judge would interrupt the court proceedings long enough to give the jury the latest score.

A.F. Chaplain Honor Guest At Supper

By Mrs. Verna Palmer

GREEN RIDGE—Major Karl F. Schofer, the Protestant chaplain of the SAGB near Knob Noster, will be guest of honor at the family night supper of the Green Ridge Presbyterian Church on Wednesday night, Oct. 12.

Mr. and Mrs. James McCampbell, Windsor, and Mrs. Ezra Inselman went to Warrensburg Sunday afternoon where they visited Mrs. Phyllis McCampbell, who is in a critical condition at the Warrensburg Clinic.

Dr. and Mrs. H. A. Hite were in New Lebanon recently where they attended funeral services for Mrs. Ethel Mayfield.

Mrs. Eva Reed, a former resident of the Green Ridge community, spent last week as the guest of Mrs. Mattie Clevenger.

The minister of the Green Ridge Presbyterian Church, Rev. Lewis Dunlap, and the ruling elder of the church, Mrs. Gertrude Helman, attended the fall meeting of Sedalia Presbytery at Versailles Monday, Sept. 19.

Mr. and Mrs. J. B. Carter and children, Mike, Sharon and Karen, entertained the following guests at a dinner on Sunday recently at their farm home northwest of Green Ridge: Mr. and Mrs. George Richardson, Sr., Mr. and Mrs. George Richardson, Jr., and children, Greg and Georgia Lou, of this community and Mr. and Mrs. Charles Hanning and children, Sedalia.

Mr. and Mrs. Glenn N. Doan and children, Gary and Pamela of Minneapolis, Minn., spent the past week visiting with Mr. Doan's mother, Mrs. Inez Doan, and his brother, Linville. The Doan family group spent the weekend in Clinton visiting their daughter and sister, Mrs. Joe Bartlett, Mr. Bartlett and daughter, Janet.

Mr. and Mrs. Henry Blalock, Mrs. Mae Iman and Mrs. Wilma Eckhoff and daughter, Linda, went to Arrow Rock last Sunday where they had dinner at the Old Tavern and visited with friends. In the afternoon they went to Gilliam, Mo., where they were guests of Mrs. John Heuman and daughter and Mr. and Mrs. Letcher Odell.

Mr. and Mrs. Wilford Acker, former residents of Green Ridge, recently entertained the following guests on Saturday evening: Mr. and Mrs. A. N. Baker, Dr. and Mrs. H. A. Hite, Mr. and Mrs. E. S. Close, and Mr. and Mrs. T. J. Close, all of Green Ridge community, and Mr. and Mrs. Paul Read, near Sedalia.

Lloyd E. Williams, son of Mr. and Mrs. Tom Williams, has completed his basic training at the Great Lakes Naval Training Station at Great Lakes, Ill., and spent a 14-day visit with his parents and other relatives recently. He

left last Monday by plane for Adak, Alaska, for further training in the Navy.

Carol Davis celebrated her eighth birthday at the home of her parents, Mr. and Mrs. D. D. Davis, southeast of town, Tuesday evening. Guests present were her grandparents, Mr. and Mrs. E. H. Boltz of Ionia, and her great-grandmother, Mrs. Myrtle Boltz of Texarkana, Tex., and her aunt, Mrs. Wm. A. Wharton, of Green Ridge and her brother, Kenny, and sister, Jenelle. The birthday cake was candle lighted and was served with ice cream during the evening to the guests.

Charles O. Churchill, advisor in Christian education for the Presbyterian Church in Missouri, will be the guest of the Green Ridge Presbyterian Church on Friday evening, Sept. 30, at 8 o'clock.

Mrs. William Heibner was guest of honor at a dinner at the home of her mother, Mrs. Mattie Myers, in celebration of her birthday Sunday, Sept. 18. Other guests present were William Heibner and children, Bill and Jean, and Mr. and Mrs. E. G. Heibner, Warsaw.

Coy Spry suffered a severe injury to the index and middle fingers of his left hand when he accidentally hit a mowing scythe held by Ezra Inselman at the MKT depot in Green Ridge on Monday morning, Sept. 19. He was taken to Windsor by Mr. Inselman where it was necessary to take 23 stitches to close the wounds.

GOP Workers Are Undecided About Likely Ike Substitute

WASHINGTON (AP)—Great indecision exists among professional Republican party workers over who would be the GOP's strongest candidate next year if President Eisenhower elects to return to private life.

Vice President Nixon was mentioned far more frequently than any other GOP figure by state Republican chairmen, national committeemen and national committeewomen reached by The Associated Press.

But almost two thirds of those replying to a questionnaire either declined to name a "strongest candidate" other than Eisenhower or mentioned from two to half a dozen men whom they termed equally good.

This uncertainty cannot be considered unusual. It was only five days ago that Eisenhower suffered a heart attack and thus set many party leaders to thinking for the first time about an alternative.

Many of the 116 party leaders reached declined to speculate on a presidential nominee next year, if Eisenhower does not run, even though it was understood they would not be quoted by name if they did not wish to be.

Twenty-three named Nixon as being currently the strongest possible standard bearer next to Eisenhower. Some said he had gained this stature by his own efforts; others indicated they regard him as a logical successor now because of his position as vice president.

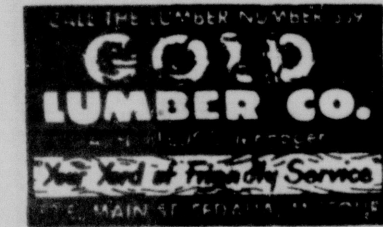

But 74 party leaders declined to voice any opinion, and 10 more mentioned up to a half a dozen possible candidates as strong, without ranking them in any order. Most of those in the latter category included Nixon; several did not.

Others designed as the "strongest candidate" by two or more party officials were Chief Justice Earl Warren, Secretary of the Treasury Humphrey and Milton S. Eisenhower; one each mentioned Thomas E. Dewey and Sen. William F. Knowland of California.

Similarly inconclusive were the party officials' replies to the question: "Do you believe Eisenhower should run again?"

More or less firmly, 5 said he should and 12 said he should not.

"Tullis-Hall Ice Creams Best" Ad.

The vast majority said he should if physicians tell him he is sound and would not be endangering his health.

A number cited reports from the President's bedside in Denver that he has been making good progress and that there have been no complications.

A few voiced views similar to those expressed by some of Eisenhower's closest associates, saying that a man with a heart attack behind him should be extremely wary about shouldering again the burdens of the White House.

Jet Fighter Crashes

TOKYO (AP)—A Marine jet night fighter crashed today in the wooded outskirts of Yokohama, killing the pilot and a radar operator, Marine Air Group headquarters announced. Names were withheld.

Most frequently counterfeited among U.S. bills are \$10 and \$20 denominations, says the National Geographic Society.

Proposed Foundation Plan Would Affect Both Urban, Rural Schools in This Area

Schools in and around Sedalia will be directly affected by passage of the proposed school foundation program should the public approve Referendums 1 and 2 on Oct. 4.

Figures received by The Democrat-Capital for Pettis, Benton and Johnson Counties give an excellent picture of how the program would work.

Basically the idea is that every

pupil is guaranteed \$185 a year regardless of where he may live or attend school, providing certain standards are met. This is a change from the present system whereby state aid is apportioned according to the number of teaching units.

In the first place, no school district would qualify for state aid unless the district had a levy of at least one dollar, maintained adequate and accurate records and provided a school program of at least 160 days. Then these different types of aid would be open to it: an equalization guarantee, a flat grant and a teachers' incentive payment.

The equalization guarantee would amount to \$110 per pupil in average daily attendance in the district. From this amount would be deducted the produce of a dollar tax levy on the assessed valuation of the district, the amount received the preceding year from the county and township funds, and money received for school purposes from state taxes. The state would make up the difference.

The \$110 guarantee would thus help out districts with low assessed valuation but who tried to carry their part of the load through at least a dollar levy. Districts with high valuation would receive less aid because they would not need it as much in order to guarantee each pupil \$110. Many districts would be able to provide the \$110 without any state aid.

The state would also provide an additional flat grant of \$75 per pupil in average daily attendance — with one standard to be met. If any district had more than 30 pupils in average daily attendance for each teacher employed, the district would not receive any flat grant payment for pupils above the limit of 30. In this way the state would urge districts to keep their class limit to 30 pupils.

A third way a district could acquire state aid would be to meet teaching standards. A district would receive a teacher's allowance based on the preparation of the teachers employed in the district; for each teacher with 150 or more semester hours college cred-

it, \$300; for each one with 120 to 149 semester hours, \$200; and for each one with 90 to 119 semester hours, \$100.

A fourth standard would apply to length of school years. As has been stated, a school district, in order to qualify for any state aid under the foundation program, would have to provide a school program of at least 160 days. The preferred length would be 180 days. A district having less than 180 days would receive state funds in the ratio that the school term in days bears to 180. Therefore, a school district with a school year of 160 days would receive only eight-ninths of the total possible aid.

A final control would be that at least 80 per cent of the state funds received would have to be used for teachers' salaries.

An over-all incentive that is reflected only in the list of figures for all the districts in any one county is for consolidation, because most three-director elementary districts would receive less state aid under the foundation program than they did during the 1954-55 school year even after meeting all the standards. The six-director elementary districts would wind up with a gain in total state aid, although some districts would receive less and others more. The high school districts would, with but few exceptions, receive an increase in state aid.

The state department of education has published figures showing how specific school districts will be affected should the foundation program pass. Typical examples of three-director elementary districts in Pettis County are Bunker Hill and Anderson Districts.

Bunker Hill District has a term of 160 days and a levy of \$1, so it would qualify for state aid. It has nine resident elementary pupils in average daily attendance and two pupils that attend high school in another district. To figure out the equalization aid Bunker Hill would receive, the high school pupils would be counted along with the resident pupils, so that the total amount to be guaranteed them would be \$1,210. The state department of education has calculated

that the district's own sources of income could provide that amount without need for state aid.

But Bunker Hill would still be eligible for a flat grant of \$75 per pupil in average daily attendance. The \$675 for the nine elementary pupils would go to Bunker Hill district. The \$150 for the two high school pupils would go to the high school district they patronize. Bunker Hill is not qualified for a teacher payment, so that it would receive only the flat grant. If it had the full term of 180 days, it would receive the total flat grant of \$675, but it operates only a 160-day program, so that it would receive only eight-ninths of that amount, or \$600. Since it received state aid in the amount of \$1,871 in 1954-55, it would lose \$1,271 in state aid. It could recover \$75 of

this by lengthening its school term to 180 days, but then it would still lose \$1,196 in state aid.

On the other hand, Anderson, a larger district, would gain more state aid than before. It, too, has a term of 160 days, but it has a levy of \$1.25 and 28.5 elementary pupils in average daily attendance. It also has 12.7 high school pupils in average daily attendance in another district. The state department has calculated that the district's own sources of income would not provide adequately the \$110 equalization guarantee, and would make up the difference. The district would also receive a flat grant of \$75 for each of its elementary pupils, and the high school district would receive the flat grant for Anderson's high school pupils. Teacher payment would be added to make a grand total of state aid of \$3,530, in comparison with only \$1,885 during 1954-55, or a gain of \$1,645 under the foundation program.

Still another situation is the case of Striped College, where the district would not only receive flat grants for its resident elementary pupils but for the non-resident ele-

mentary pupils that attend school at Striped College.

But this is only one side of the picture. In contrast to the pressure for consolidation is the greatly-increased aid that will be given the high school districts. The high school districts in Pettis County would stand to gain a total of \$116,241 in aid. Sedalia itself would gain \$99,047, Hughesville R-II, \$2,294, La Monte R-IV, \$3,194, Smithton R-VI, \$8,290 and Green Ridge R-VIII, \$4,246. Only Houstonia R-III would have a decrease, and this would be a drop of only \$830 — from \$16,433 to \$15,603 — mainly because its enrollment is much lower than that of the other districts. But its pupils would still get the same amount individually as the students in the other high school districts.

The Knob Noster R-VIII high school district in Johnson County would gain \$3,381. In Benton County, Warsaw R-III would gain \$8,107 and Cole Camp would gain \$2,165. Lincoln R-II would lose only \$44, still receiving a total of \$31,366 in state aid. Its enrollment is less than Warsaw's but more than Cole Camp's, but, as has been stated,

THE SEDALIA DEMOCRAT

Serves the Livesliest, Most Productive Territory in Central Missouri

Second Section Sedalia, Missouri Thursday, September 29, 1955

other factors must be considered beside enrollment alone. And the individual pupils would still be guaranteed a total of \$185 each.

Boiled down, the three-director elementary districts in Pettis County would lose a total of \$3,581 in state aid, the six-director elementary districts would gain \$1,139, and the high school districts would gain \$116,241. This means the county as a whole would receive \$113,799 more in state aid than during 1954-55. This is on the assumption that each district in the entire county would vote at least a dollar levy and provide a school program of 180 days. If

some districts were to have shorter terms, varying anywhere between the 160-day minimum and the 180-day maximum, the state aid would be reduced in a corresponding ratio.

The figures for Benton County are: three-director elementary districts, \$5,923 loss; six-director elementary districts, \$13,604 gain; high school districts, \$10,228 gain; total for county, \$17,909 gain.

The figures for Johnson County are: three-director elementary districts, \$9,131 loss; six-director elementary districts, \$3,690 gain; high school districts, \$31,311 gain; total for county, \$26,311.

Treat Old Favorite a New Way

New Look For Meat Loaf. And it's achieved a simple way. Pimiento-stuffed olives are sliced and arranged on the bottom of a greased loaf pan. Put them in straight rows if you cherish a neat look; or let your fancy dictate the design.

When the loaf comes out of the oven and is turned out of the pan, the green-olive slices garnish your meat. They are pretty as can be with their pimiento-red centers, for the time in the oven doesn't dim their bright color one bit. We used the largest size of olives for our loaf and the big meaty slices looked and tasted elegant.

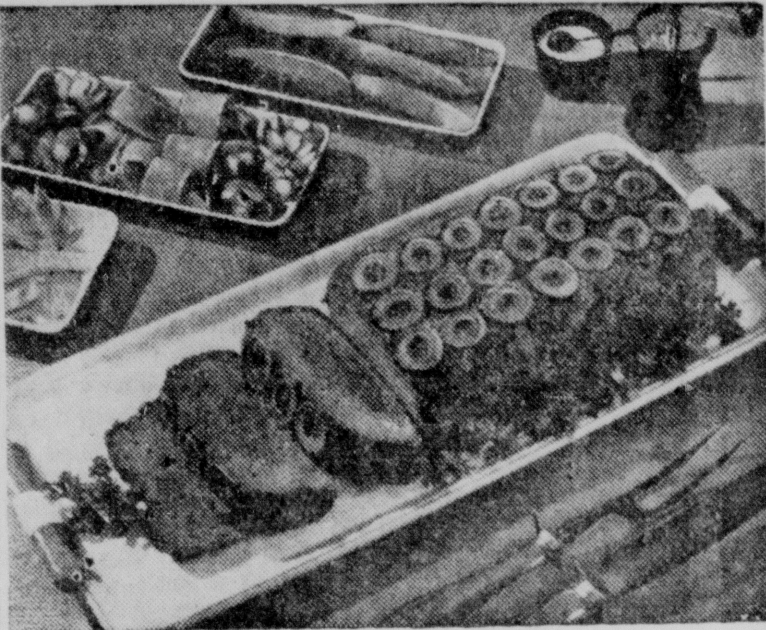

This meat loaf uses packaged quick-cooking rice cereal as a "filler." Try the recipe if you like a compact loaf that slices beautifully. We served the loaf with creamed green peas, a salad and rolls. But it is equally good with creamed potatoes and snap beans. If you like, you can bake potatoes in their skins along with the meat loaf, then peel and dice the potatoes and join them with a cream sauce.

If any of the loaf is leftover, slice it into serving-size pieces and arrange them on a piece of aluminum foil, then slather them lightly with soft butter or margarine. Heat the slices under the broiler, turning once, until they are thoroughly hot. We think this loaf tastes best hot — but suit yourself!

The recipe for the loaf calls for dry mustard and marjoram; but chili powder and oregano may be substituted. A half cup of medium-fine grated carrots may also be added to the meat mixture.

Be sure to observe recipe directions about packing the meat mixture down well in the pan in which it is baked so there will be no air holes when you slice and serve it.

OLIVE MEAT LOAF
Ingredients: Stuffed green olives, 1 pound chopped beef, 1/2 pound chopped pork, 1-3 cup quick-cooking granulated rice cereal, 1 egg,

BAKED-IN OLIVE GARNISH gives an old favorite like meat loaf real glamor and tastes delicious.

1/4 cup minced onion, 1 1/4 teaspoons salt, 1/4 teaspoon pepper, 1/2 teaspoon dry mustard, 1/4 teaspoon dried crushed marjoram, 1/2 cup tomato juice.
Method: Grease bottom and sides of medium-sized loaf pan — about 8 by 4 by 3 inches. Slice olives and arrange over bottom in even rows or in any desired pattern; number of olives needed will depend on their size. Put beef, pork,

granulated rice cereal, egg, onion, salt, pepper, mustard, marjoram and tomato juice in a mixing bowl; mix thoroughly with hands. Carefully pack meat mixture over sliced olives, taking care not to upset pattern and avoiding air spaces. Bake in moderate (350 degrees) oven 1 1/4 hours; loaf will be browned on top. Loosen sides with knife and turn out on platter. Makes 6 servings.

Erected New Homes South Of Warsaw

By Mrs. Claude Ponder

WARSAW — There are four new homes in Warsaw along Highway 35, south of town. Mr. and Mrs. Jack Harvey have sold their home to Mr. and Mrs. Bennie Jenkins and have moved into the Miss Mary Lay property until the completion of their new home just off Highway 35. Mr. and Mrs. Bill Hughes have moved into their new home and the Bill Bowers home is almost completed. In the same neighborhood, Mr. and Mrs. Sam Holley are building a new home on their property.

The Parent Teachers Association opened their first fall meeting Friday, Sept. 16 with a potluck supper at the school. It was well attended. The association was notified it has received the rating of "Superior" from the state association.

Mr. and Mrs. Darace Eaton have sold their home to Estil Kinkade and have moved into the R. S. Brown property.

Mr. and Mrs. Paul Yager and Gary, from Kansas City, are spending the weekend with Mr. and Mrs. W. A. Thomas.

Mrs. W. K. Shepardson and sons, Tommy and Kenny, visited with Mrs. Shepardson's parents, Mr. and Mrs. Leon Gladish in Chattanooga, Tenn. Their visit enabled the Gladish family to be together for the first time in ten years.

The American Legion and Auxiliary held a potluck supper recently in the VFW hall.

Attorney Wm. E. Neff attended the Bar Association meeting at the Hotel Muehlbach in Kansas City on Friday and Saturday. His mother, Mrs. Roy Neff, accompanied him to Kansas City to visit her sister, Mrs. Joe Green, for the weekend.

The Wesley Sunday School Class of the Methodist Church held a potluck supper at the church on Wednesday. Twenty-five members and their children were present.

The Garden Club met at the home of Mrs. Clarence Gatliff Wednesday, with Mrs. C. C. Hoepfinger as co-hostess. The program was in charge of Mrs. Glen Bresee, who discussed "Delphiniums." Refreshments were served.

Mr. and Mrs. Joe Benda of Riceville, Iowa, visited in the home of Mr. and Mrs. Allen Rich recently.

Mrs. Gertrude Townes and daughter, Mary Virginia, are visiting in Kelso, Wash. Their return to Warsaw will be delayed for three weeks as Mrs. Townes reports that while visiting, she fractured her ankle.

The Junior Choir of the Methodist Church opened its fall season with a scavenger hunt and picnic, Wednesday afternoon.

Mr. and Mrs. Bill Cooper celebrated their wedding anniversary with dinner and a show in Clinton.

Mrs. Jeanne Shepardson was in charge of the first regular meeting of the Junior Choir of the Methodist Church held Wednesday, Sept. 21. Officers were elected as follows: President, Diana Kingman; Vice-president, Katie Neff; secretary-treasurer, Jimmy Parsons; librarian, Billy Neff.

Rev. and Mrs. Oral VanHorn and Mary Jane have returned home from a visit to Colorado Springs, Colorado.

Terry Lane of Warsaw celebrated his fifth birthday with a party at the home of his parents, Mr. and Mrs. Leonard Lane, Thursday afternoon, Sept. 22. Those helping him celebrate were Danny Miles, Diana Ponder, Diane Wright, Nicky Parker, Edwin Bybee, Pamela Zhender, Jerry Follmer and Charles Robert Lane.

The first fall meeting of the McCormick Book Club was at the home of Mrs. Claude Ponder. The business meeting was conducted by the president, Mrs. Cal Banning. Mrs. Bill Neff reviewed the book, "Good Morning, Miss Dove" and Mrs. H. E. McNatt presented the Current Events. Refreshments of ice box pie and coffee were served by the hostess. The next meeting will be held at the home of Mrs. H. E. Follmer.

Mrs. Mae Lane and son, Harold, from Kansas City visited in the Leonard Lane home Thursday, September 22.

The Warsaw Mothers' Club met at the home of Mrs. Florence Kingman recently. Mrs. Freda Whitaker was in charge of the program. The October meeting will be held at the home of Mrs. Marge Hopf.

Speeding The Tourists
MARQUETTE, Mich. (AP)—Michigan officials say the new 100-million-dollar Straits of Mackinac Bridge will do fabulous things when it is completed in 1957.

George E. Bishop, secretary manager of the Upper Peninsula Development Bureau puts it this way:

"The bridge will bring the two Peninsulas of Michigan at least 100 miles closer together. It takes an average of two to three hours to cross the Straits of Mackinac by ferry boat, if you include waiting in line. That's equivalent to 100 miles of driving. Hence, the bridge will act like an accordion—squeezing the two parts of the state closer together."

And Bishop thinks the Upper Peninsula's tourist industry, already worth 60 million dollars yearly, will double with the increased traffic.

When facing blinding lights, some drivers close one eye and open it when the lights have passed, thus permitting quicker recovery of normal vision.

Mission Group Meets at Mt. Nebo Church

By Mrs. Minnie Johnson

PLEASANT GREEN — Mt. Nebo Baptist Missionary Society met at the church Wednesday, Sept. 7. Mrs. Simon Held, president, opened the session with the group singing "The King's Business." Mrs. Noel Cole was the pianist. Mrs. Elmer M. Orr was leader of the Royal Service program. The subject was "Along the Elephant Trail." Eight members and three guests took part in the program. At noon a covered dish luncheon was served. The Rev. Orr and daughter Ruth Sharon were guests. The state mission program was held in the afternoon with Mrs. A. E. Williams the leader. There were ten members and four guests present in the afternoon and all took part in the program. A business meeting of the Women's Missionary Society followed. Mrs. Held, president, was in charge. Mrs. C. M. Brumback, the secretary-treasurer, called roll. Those present were Mrs. Held, Mrs. Orr, Mrs. V. K. Betteridge, Mrs. Cole, Mrs. Maurice Phillips, Mrs. H. E. Cole, Mrs. Williams, Mrs. Ernest Nelson and Mrs. W. B. Woolery. Guests were Mrs. Tommy Nelson, Mrs. B. F. Brumback, Mrs. Arthur Ivy and Ruth Orr. Mrs. Brumback reported that a gift was sent Dorothy Painter at the Missouri Baptist Children's Home at Pattonville. It was from the Mt. Nebo community. The meeting was closed with song and prayer. The next meeting will be October 12 at the church.

C. W. Decker visited relatives and friends in Sedalia Sunday afternoon and attended evening services at the East Sedalia Baptist Church.

Mr. and Mrs. Lloyd Rugen, Woolridge, were Sunday visitors of his sister, Mr. and Mrs. Oliver Retherford and daughters.

Mr. and Mrs. Hob Stephens had as Sunday dinner guests the Rev.

E. L. Rathert, Smithton; Mrs. O. J. Phillips, Pilot Grove, and Mr. and Mrs. Virgil Wolfe and son, Miles.

Mr. and Mrs. John Tavenner and Ronnie Todd of Independence spent Saturday night and Sunday with his parents, Mr. and Mrs. J. C. Tavenner.

Mr. and Mrs. Homer Norris and son William, Kansas City, spent Saturday evening and Sunday with his mother, Mrs. Anna Norris and sister, Mary Kathryn.

Mr. and Mrs. W. B. Woolery had Friday until Saturday morning guests the Rev. and Mrs. Howard H. Lewis and daughter Miss Elsie of Deepwater, and the Rev. and

Mrs. Robert W. Pattison, Clinton, Mr. and Mrs. Simon Held and daughter, Miss Margie, were evening guests.

Mr. and Mrs. Floyd Allen and son Floyd Jr. of Clark's Fork spent Sunday with Mr. and Mrs. Lewis Kempf and Donald and Mr. and Mrs. J. J. Kempf and Joyce Marie.

Mr. and Mrs. L. A. Retherford re-roofed their home recently.

Dr. and Mrs. M. E. Hite, Green Ridge, and Mr. and Mrs. Earl Mayfield, Ft. Scott, Kan.; Mr. and Mrs. Arnold Mayfield, Bronaugh, Mo., made a brief visit with Mr. and Mrs. Ewing Hurt Sept. 16.

Mr. and Mrs. A. C. Mayfield and Mr. and Mrs. W. B. Hurt were din-

ner guests at the Hurt home. All were on their way to attend the funeral of Mrs. J. W. Mayfield at New Lebanon.

Miss Kathryn Cole, teacher at Carrollton, spent the weekend at her home.

Special Delivery
ALBUQUERQUE, N.M. (AP) — It finally got here.

A letter from the South African Gold Coast to a trailer company here was addressed originally to Albuquerque, England. The International Postal Union in London pencilled a notation "try New Mexico, U.S.A."—and sure enough it arrived.

Here are my reasons for using **CLOROX** every washday!

CLOROX® makes linens more than white... it makes them sanitary, too!

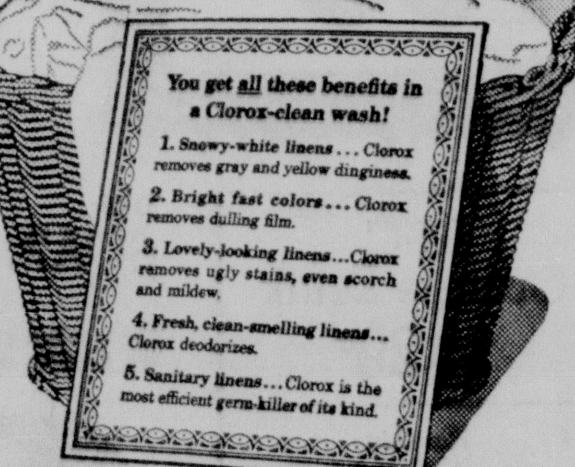

You can count on Clorox to get even the grimmest cottons and linens extra clean. Whites come out whiter, fast colors brighter... for Clorox removes dinginess, stains, even scorch and mildew. And no other home laundering product equals Clorox in germ-killing efficiency!

Yes, your Clorox wash is cleaner... and it smells cleaner, too, for Clorox deodorizes! And Clorox, a liquid, contains no gritty particles to damage wash, washer or dryer. Also, thanks to an exclusive patented formula, Clorox is free from caustic... extra gentle even to dainty hand-washables!

CLOROX housekeeping means added family health protection!

You safeguard family health when you use Clorox in routine cleaning of your bathroom and kitchen. For Clorox not only removes stains and deodorizes... it provides a type of disinfection recommended by hundreds of public health departments. See the Clorox label for many more health-protecting uses and directions.

When it's CLOROX-clean... it's SAFER for family health!

You'll long remember this October... every day a value day during...

Edison Grant No Longer Exists—

Recipients of Famed College Scholarship Differ on Worth

By THE ASSOCIATED PRESS

Suppose that upon graduation from high school you won one of the most famed scholarships of all time, were headlined throughout the nation as "the brightest boy in America," and educated accordingly.

Would it have any significant effect on your later career?

Two men, now in their early 40s, had this unique experience. One says it was a significant factor in landing him in his present job as an aeronautical research scientist. The other, a physics professor, says he believes his career would have been pretty much the same without the scholarship.

Wilber B. Huston and Prof. Arthur O. Williams Jr. were the only winners of a scholarship set up nearly three decades ago by Thomas Alva Edison. Newspapers hailed the winner as the nation's brightest boy. He was selected from candidates quizzed by a board of prominent men.

The scholarships were awarded in 1929 and 1930, then discontinued because of Edison's death.

The first winner, in 1929, was Huston, then 16 and freshly graduated from Lakeside High School in Seattle, Wash. Williams, who had just completed his studies at East Providence (R.I.) High School was chosen in 1930.

Both automatically won an all-expense education at Massachusetts Institute of Technology and received widespread publicity.

Where are they today?

Huston is a civil service scientist, engaged in research for the National Advisory Committee for Aeronautics at Langley Air Force Base, Hampton, Va.

Williams is teaching a few courses and specializing in theoretical physics at Brown University in Providence.

Says Williams:

"I think my career would have been pretty much the same even if I hadn't won that scholarship. I don't believe it would have made much difference."

One difference that it did make, however, was that Williams received his undergraduate education

at MIT. He later returned to Brown for graduate study, and it was in this period that he decided to devote himself to an academic career. He took his Ph.D. in physics at Brown in 1937.

In the fall of 1937, he joined the faculty of the University of Maine. Five years later he returned to Brown, and now lives quietly in Barrington, R.I., with his wife and a 12-year-old daughter.

Huston joined a small research laboratory run by Theodore Edison, son of the inventor, after his graduation from MIT in 1933. The background of the Edison scholarship caught up with Huston while he was in the Army during World War II. The ranks of scientists working for the National Advisory Committee for Aeronautics had been depleted by the war, and in 1944 the committee sought to fill the gaps with especially qualified service personnel.

Huston was chosen because of his education under the scholarship. In 1945 he was given an honorable discharge and continued his work under federal civil service. Today Huston's job is with the maneuver loads branch of NACA, which tests the strength, buffeting ability and air speed measurement of military and civilian planes in the planning stages. He is married and the father of four boys.

Even though 25 years have passed, Williams still winces at the label, "America's Brightest Boy."

"That was a purely publicity label," he says, "and really had nothing to do with the Edison scholarship. I have always known I was not a prodigy. As far as I can see, I'm just a fellow of average career in academic work."

Huston, similarly modest, says only that the past 26 years have been extremely kind to him and "I shall always be grateful to Mr. Edison for the opportunity he afforded me."

Dreaming Of Oil Hereabouts

Almost becoming a fad these days is the search for uranium. Geiger counters may soon become a sold-over-every-hardware-counter device for nimrods to carry about as extra equipment in the manner of a 35 mm. camera.

Wishing for a uranium find, however, has not overshadowed the "wish I had an oil well" thought that millions of us have had at one time or another.

The oil well still is a symbol of wealth, and especially so in Central Missouri where there has been recurrent "oil talk," particularly in the Sweet Springs area where holes are being dug and more recently around Calhoun, according to a story printed in Mahlon White's Clinton Democrat and reproduced in the Sedalia Democrat, telling of "prospects."

However, talk of an oil boom hereabouts while fascinating is viewed with caution by the conservatives — those guys who wouldn't have believed it after daring adventurers have brought in a gusher.

It's true, of course, that vast fortunes have come out of the ground in the form of oil. But the hazards involved are mighty impressive, according to those familiar with the mechanics of such operations who point out:

If, for instance, you were going to dig a 10,000-foot well you'd need a rig costing \$300,000 (in the big time), along with all kinds of other expensive materials and tools. You'd have to employ

20 or 30 skilled workers on a full-time basis, and around 100 more on a part-time basis. And the cost of sinking that well would run between \$250,000 and \$1,000,000, depending on drilling conditions. Much shallower wells are high-priced, too,—the average bill for drilling an exploratory well in a recent year was over \$100,000.

Presumably no such costs have been encountered so far in the Central Missouri area and that may be one reason no gusher has gushed yet.

But let's consider that once such big money is spent, what are the chances of making a rich strike? They aren't nearly as good as most of us probably believe, according to the experts — and the pessimists.

About one-third of all wells turn out dry. In new field wildcat drilling, only about one well in nine is a producer. And many wells which do hit oil produce negligible amounts.

Yet, despite these odds, men are spending freely of money and effort in endless search for oil—even in our own Sedalia area. They are doing it because the dream of the great strike is always there—whether it is destined to remain a dream or become an actuality.

But isn't it heartening to know that if our oil dream does come true it can happen only under a system where a man can reap some of the fruit if fickle Lady Luck smiles on him?

"Anyone Can See I'm Not Aggressive"

The World Today—

'Acting President' Nixon Image Fades Fast

By DON WHITEHEAD

WASHINGTON (AP)—The image of Vice President Nixon as "acting president" — which emerged briefly during the first days of President Eisenhower's illness — is fading fast.

Key administration officials, after a second look around, have decreed a "business as usual" policy.

The raw political reality of the situation is that the vice president has no greater authority today in the affairs of state than he had before the President's heart attack. Psychologically, Nixon has been raised to a position of new prominence because he is first in line of succession in case of the President's death or incapacitation—but actually his legal position remains unchanged.

The fact that Nixon is not in a position to make final decisions which are given by law to the President is underlined by today's meeting of the National Security Council in which Nixon assumes the role of presiding officer in the absence of the President, a role he has had before.

The council came into being in August 1947, during the administration of Harry S. Truman. The U. S. Government Organization Manual says: "The duties of the council are to assess and appraise the objectives, commitments, and risks of the United States in relation to our actual and potential military power, in the interest of national security, for the purpose of making recommendations to the President; and to consider policies on matters of common interest to the departments and agencies of the government concerned with the national security, and to make recommendations to the President."

The law designated as its members the President, vice president, secretaries of state and defense, and the directors of foreign aid and defense mobilization.

During the 1952 presidential campaign, GOP candidate Eisenhower called the NSC "more a shadow agency than a really effective policy maker" and he promised to do something about it if elected.

After his election, he did raise

the NSC to a higher policy-study level and to a place of greater prestige. In addition to the membership fixed by law, he called in other members of his Cabinet, executive agencies, and the military to help with the policy planning.

But despite its new position of influence in shaping national policy, the council remains an advisory group which can only recommend. The council cannot legally adopt or promote a national policy which does not have the President's approval.

Thus it is that Nixon, as presiding officer, can help the council in shaping recommendations but it is the President himself who must act to transform those recommendations into action.

Peaceful Environment In 'This House' of the UN

By Esther Van Wagoner Tuft
Democrat-Capitol Washington
Correspondent

UNITED NATIONS, N.Y.—There is something about "This House," as U.N. Secretary Hammarskjöld calls it, that exudes the hope of a someday-peace.

Here at the beautiful United Nations building on the East River,

the 60 members of the "family" are trying to learn to live together peacefully as any good family should. A new try comes with the beginning of the tenth regular session of the General Assembly.

Our U. S. Ambassador to this family, Henry Cabot Lodge, who has had his dreams of being President of the United States some day, expressed in an interview his great liking for his world role.

"This House" is a proper setting for the new relaxed East-West atmosphere but our ambassador is only cautiously optimistic. He does not expect any miracles. War is not made over night and neither is peace and a lot will depend on world opinion.

Yet Ambassador Lodge told me, "The United Nations can follow thru where Geneva left off" and cited the disarmament issue. The new smiling sweet talk will not relax the determination of the United States for a "foolproof system of both aerial and ground inspection of military installations and equipment."

Asked to predict if there would be any new members, Ambassador Lodge said again there would be no "package deals" but some of the 21 applicants might get in "on their own individual merits." Austria probably stands the best chance as United Nations membership was included in the recent treaty agreement between Austria and the Soviet Union.

Mr. Lodge refused to answer a question on the possibility of a United Nations police force to put down aggression now that such an international armed force would have to use modern nuclear weapons.

A question the U.S. Ambassador likes to answer is: How much does the United Nations cost?

Says Lodge: "Less than the price of a cup of coffee."

That's exclusive of amounts of special aid programs but even including these the total for 1955 came to 56 cents per American.

Washington Merry-Go-Round—

May Challenge Ike Policy Toward Russia

By Drew Pearson

WASHINGTON—Here are some of the things likely to happen inside the cabinet while President Eisenhower is convalescing:

1. There are bound to be some important differences over Russia. Secretary Dulles has made sour faces privately over Ike's attempt to get along with the Russians. Vice President Nixon has sided with Dulles, and even made a speech which knocked down some of the "summit" good will. Nixon made his political reputation as a Russian-baiter and will continue that way inside the cabinet.

But men close to Ike in the White House, such as Harold Stassen, Sherman Adams, and Nelson Rockefeller, who know how the President feels about the importance of peace, are certain to tangle with Dulles and Nixon. This may prove quite a battle.

2. There will be little chance of tax cuts this year. Secretary of the Treasury Humphrey, though anxious for tax cuts, is determined to balance the budget. His word will be law.

3. More defense cuts. Again George Humphrey is likely to have his way about cutting the defense budget further. Despite the fact that Pentagon generals are up in arms and Senate Democrats threaten to vote the money anyway, the Treasury secretary will probably win out in his demand for less spending.

In general there will not be too much upheaval in the cabinet or around the White House during Eisenhower's absence. He had been away more than any other recent President, and had used the general staff system of delegating authority.

He once told his joint chiefs of staff that he didn't want any problem brought to him until there was a unanimous opinion, and he has followed the same general system with other agencies—namely, letting them make the decisions. This was one reason why he never really understood the implications of the Dixon-Yates deal.

Nix on Nixon

Ordinarily, the man who would emerge as the heir apparent to Eisenhower during his weeks of convalescence would be the young Vice President scheduled to fill his shoes in case of death.

But political prognosticators who have already picked Nixon as the Republican nominee for 1956 forget one thing. Nixon won't be able to carry his own state of California at the GOP convention in San Francisco. For the boy wonder who shot to fame on the issue of the pumpkin papers and Communists-in-government made some powerful enemies during his quick climb to the top.

Three of these happen to be the governor of his state, Goodwin Knight, who will control the California delegation in '56; the Republican leader of the Senate, Bill Knowland, who will help him control it; and the Chief Justice of the United States, Earl Warren, who, while out of politics, has a way of making his views known back in his home state.

These three have no reason to love Nixon.

Guest Editorial—

THE HARVARD (ILL.) HERALD: The Hat Does Not Fit. It has been observed that the possibility of soaking the rich to pay the cost of government went out with prohibition and Empress Eugenie hats.

If the federal government took every nickel of individual taxable income above \$10,000 a year, the amount collected would pay its bills for one month. If it took all taxable income above \$4,000, it would get only a fifth of what it is spending each year.

We just haven't got enough rich or middle income people to soak, and those we have are soaked to the hilt already. So the lower incomes must carry a great part of the burden.

Our country was built on the idea of maintaining as much equality of opportunity as is humanly possible. The alien and destructive idea of economic status should be buried deep and forgotten. It could build nothing but national mediocrity.

Gift From the Sea

For the traditional gourmet, one of the nicest things about September is that oysters "R" in season again. But for those who have never learned to love oysters, this event is not necessarily a happy one. From September through April, they will gaze in bewilderment upon their oyster-eating friends who, with smiles of ecstasy upon their faces, will dip this "slimy" shellfish into a concoction of tomato sauce and horseradish and (Oh, horrors!) swallow it whole amidst alternate sighs and grunts of pleasure.

Tell a non-oyster eater that gourmets have been reacting this way to oysters for centuries, and he or she will hesitate to believe you. It is an historical fact, however, that one celebrated gourmet in the Court of Louis IV of France consumed 200 oysters — preparatory to his regular meal — at one sitting. In fact, if gourmets were poets (fortunately they never seem to be), there might have been nearly as many couplets written in praise of oysters as have been written about pretty women.

Bunceton Girls Leave For College

By Miss Emma Lee Kurtz
BUNCETON — Miss Ruth Ann Scott, daughter of Mr. and Mrs. Earl Scott, entered Christian College at Columbia Tuesday. Ruth Ann was an honor student in the graduation class of Bunceton of 1955.

Mr. and Mrs. Truman Nelson and his mother, Mrs. Alice Nelson, and Mrs. D. D. Hurt attended the State Horse Show at Sedalia.

Mr. and Mrs. Robert Hurt, Kansas City, spent the weekend with her parents, Mr. and Mrs. Adolph Kahle, Lone Elm, and his parents, Mr. and Mrs. Louis Hurt, Bunceton.

Mr. and Mrs. Herbert Warmbrodt accompanied by Mr. and Mrs. J. M. Prewitt, Boonville, and Mrs. Roy Kirschen, Tipton, attended the funeral services of Mrs. Warmbrodt's uncle, Virgil O. Prewitt, at Unionville Wednesday.

Mrs. Cecil Wilson, Jefferson City, was a weekend guest of her sisters, Mrs. Mary Tomy and Miss Lucille Lewis. Additional guests Sunday were Mrs. Tomy's son-in-law and daughter, Mr. and Mrs. Robert Devine of Fayette.

Mrs. Porter Wilson returned home Tuesday from a visit with relatives in Spring Hill, Kan., and Oklahoma City.

Mr. and Mrs. Leonard Schmidt and family spent Sunday with her parents, Mr. and Mrs. Tom Bryan of Prairie Lick.

Henry King accompanied his son-in-law and daughter, Mr. and Mrs. Wilbur Lohse, Clarksfork, to California, Sunday where they attended the Knorr reunion.

Mrs. J. B. Daniel spent the past week visiting her sons, Mr. and Mrs. Elwood Daniel and daughter at St. Charles and Mr. and Mrs. Raymond Daniel and son. Also her son-in-law and daughter, Mr. and Mrs. D. E. Chester and family, both of St. Louis.

Work is progressing rapidly on the construction of the new home of Mr. and Mrs. Bill Bishop in north Bunceton.

Mrs. Nettie McClish of Des Moines, Ia., was a recent guest of Mr. and Mrs. R. B. Mize. She was joined here by her husband, George McClish, and returned home with him. Walter Walters also of Des Moines was a recent visitor in the Mize home.

Mrs. Dora Walje of near Bunceton and Mr. and Mrs. H. B. Hume, Sedalia, were guests of Mr. and Mrs. Will Walje of Speed. The occasion was Mr. Walje's birthday.

Fresh Prunes Make Deep Dish Pie

By CECILY BROWNSTONE
Associated Press Food Editor
Hurry and capture some of those refreshing beauties called fresh prunes or purple plums while their short season lasts. Imprison them in a deep-dish pie. Enjoy the purple-red juice, the sweet-tart fruit and the rich pastry topping as you spoon them over scoops of vanilla ice cream. Serve this dessert either piping hot or while it is still quite warm from the oven—never cold. No old-fashioned creation of Grandma's day had more homey flavor.

DEEP-DISH FRESH PRUNE PIE
Ingredients: 2½ pounds fresh prunes, grated rind and juice of 1 lemon, 1¼ cups sugar, 3 tablespoons flour, ½ teaspoon salt, 2 tablespoons butter or margarine, Cream-cheese Pastry Topping.

Method: Wash prunes and dry; pit and halve; there should be about 6 cups. Arrange pitted halved prunes in baking dish—8 by 8 by 2 inches or 10 by 6 by 2 inches or one that holds about 1½ quarts. Sprinkle prunes with lemon rind and juice. Stir sugar, flour and salt together thoroughly; sprinkle over prunes. Dot with butter. Place Cream-cheese Pastry Topping loosely over prunes and sugar mixture. Fold overhang under. Press firmly into rim of dish, using upturned tines of fork. Open slits in pastry well. Bake in hot (425 degrees) oven until pastry is lightly browned—35 to 40 minutes. Serve piping hot or still quite warm with vanilla ice cream. Use cereal or dessert bowls for servings because pie is juicy. Makes 8 servings.

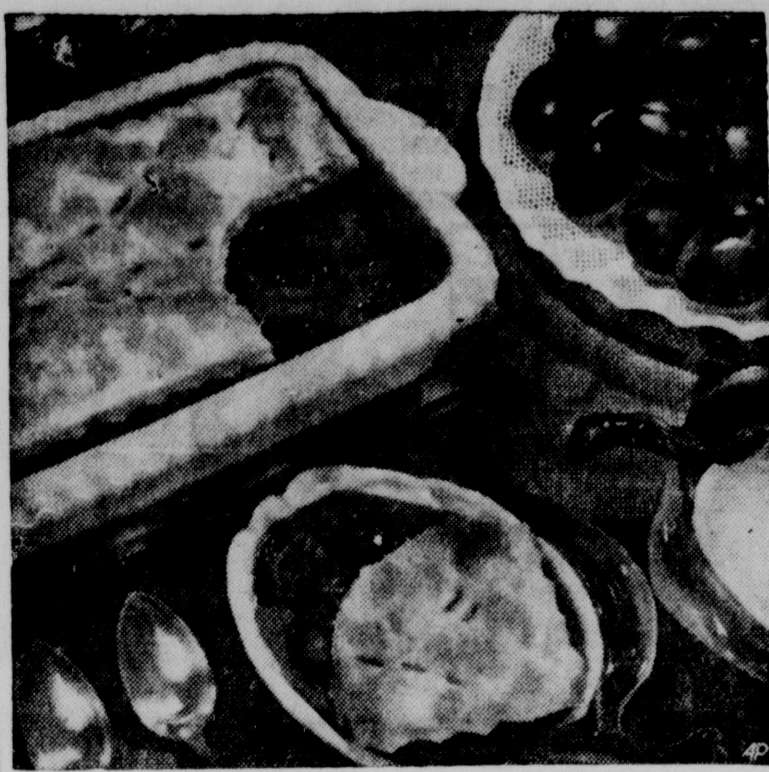

CREAM-CHEESE PASTRY TOPPING

Ingredients: ¼ cup butter or margarine, 1½ packages (3 ounces each) cream cheese, ¾ cup sifted flour, ¼ teaspoon salt.

Method: Have butter and cream cheese at room temperature; mix together thoroughly. Using a pastry fork or blender, cut the butter mixture into the flour and salt. Shape into a ball; wrap in waxed paper and chill for several hours. When ready to use, roll pastry dough about ¼-inch thick and about ½-inch larger than the top of the baking dish to be used for the Deep-dish Fresh Prune Pie, following its shape. Cut slits or steam vents in pastry. Fit over fruit and sugar mixture as directed.

MAKE AND FREEZE
You can freeze a Deep-dish Fresh Prune Pie successfully. But whether you store the pie in the freezer baked or unbaked, is a matter of choice. If freezing unbaked, do not make slits in the crust. Here are specific directions for the freezing and using.

Freezing: If deep-dish pie is unbaked, wrap with moisture-vapor-proof film, foil or freezer paper. Seal, label, date and freeze rapidly.

PLUM-REFRESHING . . . deep-dish fresh prune pie.

If baked, cool baked pie thoroughly at room temperature, then wrap. Place level in freezer so juice won't leak out. Plan to use frozen pies within four months.

To use: If frozen unbaked, remove wrappings from frozen pie. Make slits in top crust, opening up well. Bake in hot (425 degrees) oven 40 to 60 minutes. Lower the temperature the last ten minutes of baking, if crust is browning too fast, to moderate (350 degrees) oven. If frozen baked, remove wrappings from frozen pie. Heat

in a moderate (375 degrees) oven 30 to 50 minutes.

All fresh prunes are plums, but all plums aren't prunes! Only those varieties of plums that can be dried without removal of the pits, and without fermenting, are called prunes. You can tell whether a plum is really a ripe fresh prune this way: it can be easily separated from its pit. A plum that is not a fresh prune clings closely to its pit.

Electronic Theft

CARLISLE, Pa. (AP)—A burglar with a mind for electronics made off with \$30 and a pilot's radio headset from an airport. William Taylor, airport owner, said the intruder used an electronic microphone hook to detect the presence of airport employees. And it apparently worked, Taylor said, because the burglar fled when the gadget picked up his footsteps.

Hal Boyle's Column—

He Comes to Conclusion That All Women Are Very Puzzling

By HAL BOYLE
NEW YORK (AP)—It has been an open secret for some time that men find women puzzling.

But the one thing about women that most men feel surest about is — they can't play poker well. This hardy superstition is perpetuated in a new book called "Dealer's Choice," a collection of famous poker stories by Jerry D. Lewis, a former New York newspaperman.

Lewis, who cautiously dedicated his book "to Louise, without whom there could never be a full house," quotes a psychiatrist as follows: "The average woman is too curious to play poker well. In an evening's play, she'll have a dozen hands where 'calling the bet' displays a suicide complex. Yet, she can no more resist throwing in the chips than she can help looking at the label in a friend's new coat."

Personally, I think this remark only shows the psychiatrist needs to have his head examined.

According to this theory, psychiatrists themselves should be lousy poker players, because they are more curious than the average woman. They are always asking if you have an overwhelming urge to stick thumbtacks into your mother or salt your daddy's beer with arsenic, and if not, why not.

And if curiosity alone were the hallmark of idiocy, then it naturally would follow that the worst

poker player of all would be a lady psychiatrist.

The sorrowful truth is that the old saying "lucky in cards, unlucky in love" doesn't apply to the ladies. They are lucky in everything.

"Poker Alice," the famed cigar-smoking pal of Wild Bill Hickok, was renowned for her skill with the pasteboards during the palmy past of Deadwood, S. D. But I'll wager there isn't a community in America today that doesn't have some beldame or matron able to beat "Poker Alice" if the chips were really down.

The curiosity to see what's in the fellow's hand may be a sign of weakness in women at poker. But it is more than balanced by their uncanny ability to see what's in the other fellow's mind. And that is much more important.

Poker isn't a game. It's a matter of practical psychology. And who can figure out what a man will do even before he makes up his own mind? A woman—every time.

Men say they don't like to play poker with women because they talk too much, stall too often, and insist on playing insane games in which deuces, aces, the joker and one-eyed jacks are wild.

"One woman in a poker game is consternation—two are chaos," they claim.

But they say these things only to bolster their own male egos. I used to play poker with women. I don't

Trail Ride By Versailles Saddle Club

By Mrs. Georgia Uptergrove

VERSAILLES — The Versailles Saddle and Sirlon Club enjoyed a trail ride Sunday, Sept. 25. They gathered at the R. V. Williams home at 10 o'clock and rode to the Wayne Miller farm where they enjoyed a basket dinner served from a hay wagon on the lawn.

Mr. and Mrs. J. A. Gorham, Mrs. Harry Bowen and Mrs. Paul Uptergrove attended an OES meeting at Barnett Wednesday evening, Sept. 21. Pink and yellow meated watermelons, grown by

any more, I found I couldn't afford to.

If wives really want to know why husbands don't like to let them in to their poker games, here are the honest reasons:

1. They win too often.
2. You can't bluff them. They can see through a man's feeble pretense that he holds three aces when he actually only has a feeble pair of tens.

3. They cheat. If their instinct doesn't tell them what you have in your hand, they're always trying to peek and see.

4. After they win all the money, they expect the losers to walk home. They rarely offer to lend a man taxi fare.

The male prejudice against women poker players stems from one thing only—the manly need of self-defense. Let all man call em traitor for admitting it. But it's true.

Roscoe White on his farm, were served by Mrs. White.

Mr. and Mrs. Dave White and family spent the weekend in Webster Groves as guests of Mr. and Mrs. Charles Thoss.

Mrs. Letitia Latman received word last week of the birth of a new great grandson born to Mr.

Mr. and Mrs. Lloyd Turpin have purchased the Archie Roark residence and will move to it in the near future.

The Versailles Merchants won their final baseball game with Vienna seven to six in the 11th inning and thus have won the

championship of the Central Missouri League.

Mr. and Mrs. Harlan Lees of Florida are visiting relatives in this community.

Jimmy and Kim Uptergrove, Clinton, spent Saturday night and Sunday with their father, James Uptergrove and grandparents, Mr.
